THE FLOWER SHOW

November 10, and 11, 1916.

Of a large percentage of faithful workers these lines are true:

"Somebody said that it couldn't be done
But he with a chuckle replied,
That maybe it couldn't" but he
would be one
Who wouldn't say no till he tried.

So he buckled right in, with a
trace of a grin
On his face. If he worried he hid
it.
He started to sing as he tackled
the thing
That couldn't be done, and he did
it."

The Flower Show has come to stay for only Monday, enthusiastic meetings, three in number, were held in the interest of the big Flower Show. The meeting of chairmen was called to order at four o'clock at the home of Mrs. A. F. Storm. Encouraging reports were given from the respective committees, and the Flower Show promises to be one of splendor.

Mrs. B. Clements, Chairman of Committee for Collection of Cut Flowers, reported with full Committee in attendance. The members of this committee are Mesdames, Clements, Norman, Morse, Bass, and Miss Bernice Williams who will have particular charge of the designing of booths for cut flowers. The committee on collection of plants for the exhibit met with the Chairman Mrs. J. Dyer. This Committee has one of the more difficult features in charge since they must guarantee the safe transportation to and from the City Hall of all the borrowed plants. Very careful arrangements are being made so there need be no fear on the part of the plant owners. The Committee wishes to ask that in order that no one be overlooked who would lend plants, please not to hesitate to call up 276 (Mrs. J. M. Dyer) and offer flowers for exhibit.

Everyone wants the show to be a success, so help out by offering and not waiting to be called upon. The Committee hopes to call in person, but certainly you could facilitate matters by generously offering the plants you would wish to send. "Strength united is stronger"—The Civic League comprises a number of Morgan City's efficient women. All of her efficient women are needed and are tendered a most cordial invitation to join this body of workers who believe that only the best is good enough for Morgan City. "Come over and help us."

Special showing Monday and Tuesday of new Fall Hats at Gathright & Soumeillan's.

CENTREVILLE NOTES

The Community Fair held in Centreville last week was a big success, and every one is looking forward to the next fair, they know it is a long ways off.

The people of Centreville hired a truck Saturday, and built a platform on it. They divided this platform into three booths for fancy work. A trailer was attached to the truck and carried the best of our hogs and farm products to the Teche Fair. Everyone that saw it was well pleased and the New Iberia people were so hospitable and complimentary that we thought that we had great success.

Mr. Albert Hubert has developed a variety of corn which took the first prize at the Teche Fair.

Two hundred people of Centreville visited the Teche Fair Sunday. Thursday night a crowd of school children who were accompanied by the teachers, attended the Prohibition Lecture given in Franklin that night.

Miss Josie Milbourne has been operated on for appendicitis and is doing nicely. Miss Louise Alleman is filling her place.
