## Will My Funds Be Safe?

That's the very first question that enters your mind when you consider depositing your money in a bank or making an investment.

It is a very reasonable and logical question. Money is hard to earn, and still harder to lose. You have a right to DEMAND safety.

The affairs of this bank are under the supervision of the Comptroller of the Currency of the United States, and conducted by leading business men of this city.

Herbert M. Cotten, President.  
E. A. Pharr, Vice-President.  
K. R. Hood, Cashier.

## To the Insuring Public

The trouble and expenses incurred by the Local Insurance Agents, because of their inability to collect their premiums, and the frequent losses by non-payments has become so much of a tax on their business that they have found it necessary to limit all credit for premiums to 60 days from date of policy. Hereafter, satisfactory settlement must be made within that time, otherwise the policy will be cancelled, for such non-payment.
