## A JOY FOREVER

If Your Menu Include Cakes, They Should  
However be the Best Such as

### STONE'S DELICIOUS CAKES

Made of material  
of guaranteed  
purity. A plain  
package but a  
perfect cake six  
varieties, always  
deliciously good,  
always fresh. 10  
cents each.

### STONE'S "RICH FRUIT" CAKE

In 1 lb. Cartons and Handsome 4 lbs. Tins  
40 CENTS PER POUND

It is absolutely impossible to give you any idea of the  
quality, flavor and richness of STONE'S "RICH FRUIT"  
CAKE through the medium of paper and ink.  
We could easily use a column in telling you about the  
materials that go into it—Pineapples from Hawaii, Al-  
monds from Spain, Pecans from Texas, Cherries from  
California, and so on through the list of twelve fruits that  
are used—but what good does it do to name them over,  
when the deliciousness is only half in the materials, the  
other half being the art and skill with which they are  
combined to make the perfect FRUIT CAKE.

## TRIANGLE PROGRAM WILL BE OFFERED AT EVANGELINE ON BENEFIT NIGHT

Five Reel Kay Bee and Two Reel Keystone Comedy Will  
Comprise Program for the Benefit of the  
Doll and Toy Fund

PRICE WILL BE TEN CENTS FOR ALL

Everybody in Morgan City is go-  
ing. The date is December Eighth.

Ladies and gentlemen, kindly step  
down this way a moment. Draw in  
closely people, dont push. I've been  
requested by the Review and Man-  
ager Loeb of the Evangeline Theatre  
to announce that there will be a  
monster benefit for the Doll and Toy  
Fund to be distributed by the King's  
Daughters. The big show will be at  
the above named theatre on Decem-  
ber eighth—dont forget the date,  
however, we wont let you forget the  
date. In fact we are going to remind  
you of it every day from now until  
the big stunt is pulled off. The show  
is going to start before supper and  
run as long as the people come, and  
if they dont come we dont know the  
people of Morgan City. In the first  
place it is for sweet charity. In the  
second place, there are going to be  
seven reels of as good pictures as  
will be seen in Morgan City this  
month. The price, we are almost  
ashamed to say that the tickets are  
only going to set you back ten cents  
per each. Those who think the price  
should be fifty cents may buy five  
tickets. What would you do with that  
many? Well brother, you could  
throw them in the bay and you would  
feel that they were not wasted, but  
suppose you make it a merry Xmas  
coming and going for the kids, give

the tickets to the kids who will later  
get dolls and toys from the proceeds.

I am further requested to an-  
nounce; ladies and gentlemen that  
on the evening stated above, that the  
celebrated, serpentine elephantine,  
premier danseur, Mister Roscoe  
(Fatty) Arbuckle will show you some  
steps that Pavlowa, Kosloff and the  
other celebrated dancers of the day  
who dance for two bucks per seat at  
only the best theatres, never at-  
tempted. Fatty is going to appear in  
a two reel Triangle, "The Waiters  
Ball" Fatty is the cook. The best  
cooks will see fish fried in a manner  
entirely unknown to the best cooks  
of Morgan City.

In addition to this picture Wm. S.  
Hart, said to be the best western ac-  
tor will appear in a five reel Kaybee,  
The Dawnmaker. Figure it out peo-  
ple, seven reels of quality pictures  
for ten cents. About a cent and a  
half per reel.

In conclusion ladies and gentle-  
men, if you are not perfectly satis-  
fied with the show, stop at the box  
office on your way out and see if you  
get your dime back. If you do, we  
will give you another.

The pretty girls will now pass out  
the tickets. Thanking you one and  
all for your kind attention, as the  
circus man says, we bid you one and  
all a fond good night.

eral people choose the name which is to be finally selected

### YOUR COMMUNITY NEEDS LEADERS; ARE YOU ONE?

The development of leaders in  
community work is an important  
rural need. Every community can  
boast plenty of men well able to lead  
the way in any important work, but  
they are not leading because they are  
too busy with their own affairs or  
think they are.

It is not difficult to point out many  
lines of helpful and profitable work  
any given community should be do-  
ing, and farmers generally will agree  
that such work is of importance, but  
who is going to start it, and carry it  
on after it is started? Such work  
takes much time. There is too much  
selfishness in these matters. We must  
make ourselves more willing to give  
of our time freely to help others.

Development of rural leaders is  
not a matter of taking a tender  
youth by the hand and leading him to  
leadership. It is a matter of making  
the able old warhorse, talker, fight-  
er, doer, see that he can well afford  
to give some of his time to serve the

people about him. The country ad-  
viser does well as far as he goes. But  
his field is a whole country, which is  
too large a unit for concentrated de-  
velopment of useful projects.

The community where farmers are  
totally inactive in community work  
of one sort or another, social, educa-  
tional, or business, is not the best  
sort of a community in which to live.  
Leaders in rural work are needed,  
and they are already available if  
they will only put themselves to  
work.—C. E. Snyder, L. S. U. Press  
Bulletin.
