"Dr. Miles' Nervine Completely Cured Our Little Boy of Fits."

A family can suffer no greater affliction than to have a child subject to fits or epilepsy. Many a father or mother would give their all to restore such a child to health.

"I am heartily glad to tell you of our little boy who was completely cured of fits. He commenced having them at 10 years of age and had them for four years. I tried three doctors and one specialist but all of them said he could not be cured, but Dr. Miles' Restorative Nervine and Dr. Miles' Nerve and Liver Pills made a complete cure. He is now hale, hearty and gay. It has been three years since he had the last spell. I shall give Dr. Miles' medicine praise whenever I go. You are at liberty to use this letter as you see fit and anyone writing to me I will gladly answer if they enclose stamp for reply."

F. M. BOGUE, Winfield, Ky.

Dr. Miles' Nervine,

is just what it is represented to be, a medicine compounded especially for nervous diseases, such as fits, spasms, St. Vitus' dance, convulsions and epilepsy. Mt. Herman News.

The Mt. Herman School closed last Thursday. Hon. T. H. Harris, State Superintendent, was present and made a very interesting address on the consolidation of the schools. J. W. Bateman, Parish Superintendent, also made an address along the same line. Dinner was served on the grounds. A concert was given at night, which consisted of dialogues, songs, recitations, pantomimes, etc., which was very well rendered, especially the quartet, "The Professor at Home", rendered by Misses Luella Painter and Wessie Easley and Messrs. N. E. Snell and A. O. Ott.

There is a move to consolidate Mt. Herman and Goings schools and to build a school house at Mt. Herman.

Mrs. Jones, the assistant teacher of Mt. Herman school, left Sunday to attend the Summer Normal at Baton Rouge.

Franklinton Bottling Works.

We had quite an excitement in town yesterday morning. One of the mill hands of the River Lumber Company made a bet of 50 cents with one of the boys, that he would make certain unpublishable remarks to Mr. Lonnergan, president of the Lumber Company and proceeded to carry out his wager when a fight arose, which resulted in the mill man getting a bloody face, as well as winning the 50 cents for his trouble.

The people of this community were sorry to learn of the accident which befell Mr. R. L. Toney, at Clifton, on Saturday last. Mr. Toney became entangled in a belt at the saw mill plant of the Clifton Lumber Company, and was very seriously injured. He was immediately taken to a hospital in New Orleans, and was doing nicely the last we heard from him.
