John Michell, candidate for  
governor, gave his platform of  
principles to the press Sunday.  
The platform as a whole is good.  
The many reforms he advocates  
is what, in our opinion, we need,  
but after all platforms amount to  
but little as we have already  
learned. The man behind the  
platform will have to be con-  
sidered and not the platform.  
Dr. Aswell gave us a platform  
that can scarcely be improved.  
The platform of the Good Govern-  
ment League, upon which Judge  
Hall stands, is a splendid one.  
These platforms, however, will  
not but little figure in the  
election. The voter will, and  
rightly too, look to the person-  
ality of the man when he casts  
his ballot.

The town is having its steel  
bridge painted. The Police Jury  
is advertising for bids by  
painters on theirs. This is an  
important move. We have good  
bridges and they should be  
preserved.

We wonder if Franklinton will  
have to put on a speed limit?

## Now is the Time.

Did you know that now is a  
splendid time to pay up your  
subscription? Our books show  
many delinquent subscribers and  
unless our friends come to our  
rescue we will be compelled, in  
order to comply with the law, to  
stop sending the paper. This  
we do not want to do. We prefer  
to send the paper knowing that  
these delinquencies are caused  
by oversight but the law says not  
and we have to comply with the  
law or have our paper debarred  
from the mail. So send us your  
dollar and relieve us of this  
painful situation. You need the  
paper and, especially so now that  
a political campaign is on, you  
can't afford to miss it.

Work on the school building  
seems to be dragging. The  
building was to have been fin-  
ished before school closed but  
from present indications it will  
not be ready for the next term.  
We do not know who is at fault,  
but this we do know—that the  
people out of whose pockets the  
money comes to pay for it, is en-  
titled to have this building fin-  
ished and ready for occupancy  
before the fall term of school.

A Good Government League  
meeting was held here Saturday  
at the Court house. Walter T.  
Smith, of Mt. Point, presided.  
Hon. Jack Spears, of New  
Orleans, addressed the meeting  
giving the purposes and prin-  
ciples of the League after which  
delegates were appointed to the  
Good Government League con-  
vention in New Orleans at which  
time candidates will be nominated.  
There were about fifty voters  
present at the meeting.

The State Board of Health has  
made its examinations, criticisms  
and recommendations. It is now  
up to us as citizens as to whether  
we will benefit thereby or not.

## Resolutions of Respect.

Whereas, it has pleased  
Almighty God, to remove from  
this earthly sphere to the better  
land above, Mr. Bernice V. Hart,  
husband of our Sister Mrs.  
Alice Bickham Hart, leaving her  
and little son, without the com-  
fort and protection of a husband  
and father.

Therefore be it resolved, that  
Noble Queen Chapter No. 45 O.  
E. S. hereby extend to the  
bereaved widow and orphan, the  
heartfelt sympathy of its mem-  
bers in this their hour of  
affliction, and assures them that  
all that loving friends can do  
they are willing to do. Bidding  
the widow to be not cast down,  
but to lean on Him who has  
promised to be a father to the  
fatherless and a husband to the  
widow, and who doeth all things  
well.

Be it further resolved, that a  
copy of this resolution be spread  
upon the minutes of the Chapter  
and a copy be sent to Sister  
Hart, and that same be published  
in the Era-Leader.

Respectfully submitted,  
Myra W. Goodbee,  
Viola Simmons,  
Prentis B. Carter,  
Committee.
