The governing authority of such subdivision when authorized as set forth, may incur debt and issue negotiable bonds to represent same, secured by the taxes above described provided that the total amount of debts thus incurred or bonds issued, shall never exceed in principal and interest the aggregate amount to be raised by said annual contributions or acreage taxes during the period for which the same are imposed and that no such bonds shall be issued for any other purpose than that for which said contributions or acreage taxes were voted, run for a longer period than forty years, bear a greater rate of interest than five per centum per annum or be sold for less than par. No bonds issued under this paragraph shall run for more than forty (40) years from their date, nor shall bear a greater rate of interest than five per centum per annum, payable semi-annually or annually and shall not be sold by such subdivision issuing the same for less than par. Any bonds issued under this Article, may be, either in whole or in part, exchanged value for value for bonds issued under Article 281, or to be issued under said Paragraph 1 of this Article, or sold and the proceeds thereof used for the purpose of purchasing outstanding bonds. Before any bonds shall be issued under this paragraph the issuance thereof shall be authorized by a vote of a majority in number and amount of the property taxpayers qualified to vote under the Constitution and laws of this State who vote on the proposition at an election held for that purpose, after due notice of said election has been published, for thirty days in the official journal of the parish or parishes in which said subdivisions are located, or where there is no official journal, in any newspaper published in such parish or parishes, provided, however, that the governing body of any such subdivision may in their discretion and without a vote of the property taxpayers, issue refunding or renewal bonds under this paragraph, if the bonds to be refunded or renewed thereby have been or shall be issued for any of the purposes specified in said Paragraph 1 of this Article, or in novation or renewal of any bonds issued or to be issued for the said purposes specified in Paragraph 1 of this Article, and such issue or issues so refunded or renewed have been or shall be authorized by a vote of a majority in number and amount of the property taxpayers qualified by a vote under the Constitution and laws of this State who voted or shall vote on the proposition at an election held for that purpose. When the

bonds of any outstanding issue shall have been obtained either by purchase or exchange, the tax levy to pay for such bonds shall at once cease and such bonds be canceled. Each year while any refunding bonds issued under this paragraph are outstanding, the governing authorities of such subdivision shall levy and collect annually, in excess of all other taxes, a tax sufficient to pay the interest, annually or semi-annually, and the principal falling due or such amount as may be required for a sinking fund for the payment of said bonds at maturity, provided that such special ad valorem tax for all purposes shall not in any year exceed ten mills on the dollar of the assessed valuation of the property in such subdivision.

The governing body of any such subdivision shall have full power to adopt and pass all ordinances and resolutions necessary to carry the provisions of this paragraph into effect. An election may be held under the provisions of this paragraph at the same times and places and by the same election officers as an election on the question of incurring debt and issuing bonds under the provisions of said Paragraph 1 of this Article.

Where bonds of any subdivision have been heretofore issued for any of the purposes specified in Paragraph 1 of this Article, and such issue has been authorized by the vote of a majority in number and amount of the property taxpayers qualified to vote under the Constitution and laws of this State who voted upon the proposition to issue such bonds at an election held for that purpose and where such bonds have been issued and sold by such subdivision for not less than par value thereof, for said bonds or any refund issue bonds or renewal or refunding bonds issued in novation or renewal of bonds issued for said purposes, specified in Paragraph 1 of Article two hundred and eighty-one (281) are hereby validated, ratified and confirmed; provided that such bonds did not at the time of their issue exceed ten per centum of the assessed valuation of the property in such subdivision, and such bonds hereby ratified, approved and confirmed shall be deemed to be the valid and incontestable obligations of such subdivision and a tax for the payment of the principal and interest thereof and to create a sinking fund for the redemption shall be levied and collected in the manner and within the limits prescribed by said Paragraph 1 of this Article. This entire Article is to be considered a full grant of power to the subdivisions of the State, as set forth therein.

Section 2. Be it further resolved, etc., That this proposed amendment shall be submitted to the qualified voters of this State for adoption or rejection at the Congressional election to be held in November, 1912, and, if adopted, the same shall take effect immediately thereafter.

JOINT RESOLUTION

Proposing an amendment to Article 223 of the Constitution of the State of Louisiana.

Section 1. Be it resolved by the General Assembly of the State of Louisiana, two-thirds of all members elected to each House concurring, That an amendment to the Constitution of the State of Louisiana be submitted to the qualified electors of the State for their approval or rejection, as required by Article 321 of the Constitution, at the Congressional election to be held on the first Tuesday next following the first Monday in November, 1912, amending and re-enacting Article 223 of the Constitution of the State of Louisiana so as to read as follows:

ARTICLE 223. Section 1. Upon the recommendation of the Auditor of the Police Jury of any parish, the Governor may suspend any officer charged with the collection or custody of public funds when in arrears.

Section 2. Any officer of this State, or of any district, judicial or otherwise, and any officer of any parish or ward thereof, and any officer of any municipality or ward thereof (except the judges of all of the courts of record of this State, the judges of the various city courts throughout the State, and the justices of the peace) holding office by virtue of having been elected thereto by the legally qualified voters of this State, or of any district, judicial or otherwise, or of any parish or ward thereof, or of any municipality or ward thereof, shall be subject to recall from such office by the qualified voters of this State, or of any district, judicial or otherwise, or of any parish or ward thereof, or of any municipality or ward thereof, at any election throughout the State, district, judicial or otherwise, or of any parish or ward thereof, or of any municipality or ward thereof, by a majority of the legally qualified voters participating in such election.

Such recall election shall be held when petitioned for by such a number of the legally qualified voters of the State, district, judicial or otherwise, or of any parish or ward thereof, or of any municipality or ward thereof, as will equal thirty per cent of the total number of registered voters qualified to vote at the last preceding general election for the office the incumbent of which is sought to be recalled: Notice of intention to circulate such petition together with a statement of the reasons why the recall of such officers is sought shall be given to such officers in such manner as may be provided by law. The General Assembly shall by appropriate legislation, prescribe the form of petition, the manner of verification and ascertainment that the requisite number of legally qualified voters has signed same, and also the manner and method of calling such election and the promulgation of the returns thereof. Such ballot shall contain the specific question, "Shall (naming the officer and giving his official title) be recalled," and opposite the question shall be two squares, in one of which shall be printed "Yes" and in the other shall be printed "No," and no ballot shall be considered at such election unless the voter shall have voted either "yes" or "no" upon such question. No officer shall be subject to recall until after he has been in office one year, and should his recall be defeated by the electors, then he shall not again, during that term of office, be subject to recall. At least three months, but not more than five months, shall elapse from the time that the necessary number of petitioners has asked for the recall election before same shall be held. A successor, for the remainder of the term, to the officer sought to be recalled shall be elected at the same time the recall election is held, and should the majority of the voters participating in such election be in favor of the recall of such officer, then immediately after the promulgation of the returns of such election, the successor so elected shall qualify. The General Assembly shall provide by law how candidates to succeed the officer sought to be recalled may have their names placed on the recall ballot of the State, district, judicial or otherwise, parish or ward thereof, or of any municipality, or ward thereof, by petition signed by qualified voters to the number of not less than thirty per cent of the total number of registered voters qualified to vote at the last preceding general election for the office the incumbent of which is sought to be recalled. All voters may express a first choice and a second choice, and the candidate who is the first choice of the greatest number of voters shall be declared to be elected. If the election has resulted in the recall of the officer sought to be recalled, the officer sought to be recalled shall not be a candidate at such recall election.

Section 3. Be it further resolved, etc., That the official ballot to be used at said election shall have printed thereon the following questions: "Shall (naming the officer and giving his official title) be recalled?" and "Shall (naming the officer and giving his official title) be recalled?" and opposite the question shall be two squares, in one of which shall be printed "Yes" and in the other shall be printed "No," and no ballot shall be considered at such election unless the voter shall have voted either "yes" or "no" upon such question. No officer shall be subject to recall until after he has been in office one year, and should his recall be defeated by the electors, then he shall not again, during that term of office, be subject to recall. At least three months, but not more than five months, shall elapse from the time that the necessary number of petitioners has asked for the recall election before same shall be held. A successor, for the remainder of the term, to the officer sought to be recalled shall be elected at the same time the recall election is held, and should the majority of the voters participating in such election be in favor of the recall of such officer, then immediately after the promulgation of the returns of such election, the successor so elected shall qualify. The General Assembly shall provide by law how candidates to succeed the officer sought to be recalled may have their names placed on the recall ballot of the State, district, judicial or otherwise, parish or ward thereof, or of any municipality, or ward thereof, by petition signed by qualified voters to the number of not less than thirty per cent of the total number of registered voters qualified to vote at the last preceding general election for the office the incumbent of which is sought to be recalled. All voters may express a first choice and a second choice, and the candidate who is the first choice of the greatest number of voters shall be declared to be elected. If the election has resulted in the recall of the officer sought to be recalled, the officer sought to be recalled shall not be a candidate at such recall election.
