The machine for fighting the boll weevil, which the Citizens Bank is helping the farmers to purchase, is being extensively tried out on the 1920 cotton crop, there being ten of the machines variously distributed over the parish. The Agricultural High School at Mt. Hermon and Sunny Hill have each purchased a machine which they expect to thoroughly test, believing it will prove effective, and if so that the advantage will more than justify the expense of the experiment.

**District Conference In Session.**

The annual conference of the Baton Rouge District of the Methodist church, convened here Tuesday, and a full representation of the churches being present—about 75 in all.

The first day was given over to the work of the Woman's Missionary Union, the affairs of which are wonderfully directed by Mrs. Dr. Stewart of Amite, State Corresponding Secretary.

The opening sermon of the conference was preached Tuesday night by Dr. Hill of Jackson, while the business of Wednesday morning was followed at 11 o'clock by Dr. Alphonso Early State Sunday School Secretary.

The conference will conclude with the Thursday evening session.

**Airplane Goes Over Town.**

At 9:30 Wednesday a real excitement was enjoyed by the people of the town when an airplane passed over head sufficiently low to be plainly heard and seen. Business was suspended for a few minutes while everybody gathered in the streets to observe our first "flight," those who were familiar with planes enjoyed the little excitement along with many who had never seen a flight before.

The machine didn't tarry long and real regret was felt that there is no landing place here for "planes", so we could have an occasional visitor from the air.

**Birthday Celebration.**

Mrs. J. Vol Brock assisted by Mrs. H. B. Magee and Mrs. W. I. Daniel, entertained the young girls of the town Friday evening at a "costume party" in honor of the young daughter of family, Miss Ellen Brock, in celebration of the 15th anniversary of her birth.

The charming young guests created more than the usual amount of admiration, their costumes being very effective, some artistic, some comical, others beyond description. They were kept in a merry mood with informal games, varied with music, punch and wafers being served thruout the evening.

**Making Ready For Cotton Crop.**

Mr. J. T. Thompson, Manager and Cotton Buyer for Lampton Bros. Co. left Tylertown Monday morning, June 21, for Mississippi Agriculture and Mechanical College to take a short course in cotton grading and marketing. This course is conducted by practical cotton men who have had years of experience in grading and marketing cotton.

Mr. Thompson has visited the sections of Louisiana which are quarantined against shipping cotton into Mississippi and has petitioned the Federal authorities to raise the quarantine against the parishes adjacent to Mississippi, thus enabling Washington Parish to bring their cotton to Tylertown as heretofore. No definite plan can be announced at this time, but it is expected that satisfactory arrangements can be made.—Advertisement.

Geraldine—I thought you were going to kiss me when you pukered up your lips just now.

Gerald—No—er—I had a piece of grit in my mouth.

Geraldine—Well, swallow it; you surely need some.

The Problem of Today

**WE DO NOT** advise housewives to buy lavishly these days. Only those with unlimited bank accounts can afford to do so. But careful buying of **ONLY RELIABLE GROCERIES**, and avoiding all waste, will go far toward keeping down the mounting cost of the table. We will be glad to cooperate with you to the extent of our ability—and that means much to you, for we buy economically as possible and sell in the same manner.

We invite your cooperation in an endeavor to **KEEP DOWN** the cost of the daily table.
