

GRAY

Why let all your neighbors and friends think you must be twenty years older than you are? Yet it's impossible to look young with the color of 70 years in the hair. It's sad to see young persons look prematurely old in this way. Sad because it's all unnecessary; for gray hair may always be restored to its natural color by using

AYER'S HAIR VIGOR

For over half a century this has been the standard hair preparation. It is an elegant dressing; stops falling of the hair; makes the hair grow; and cleanses the scalp from dandruff.

\$1.00 a bottle. All druggists.

"I have been using Ayer's Hair Vigor for over 20 years and I can heartily recommend it to the public as the best hair tonic in existence."

Mrs. G. L. ALDERSON, Ector, Tex., April 26, 1899.

If you do not obtain all the benefits you expect from the Vigor, write the Doctor about it. Address, Dr. J. C. AYER, Lowell, Mass.

On Monday afternoon about five, an ugly cloud gathered in the Northeast, and a regular July northern played havoc for hour or so; the sand and wind blew remorselessly into every creek and corner, broke heavy flames off trees, then came a few whirl gusts of lightning followed by heavy crashes of thunder, and after a light shower it all subsided and left a delightfully cool atmosphere in its wake.

On Friday evening, just at dark, a terrible wind and sand storm blew at a fearful rate for fully three quarters of an hour.

PERSONAL.

Mr. Jno. H. Henry and interesting little son Stephen Garrett, of Melrose, were visitors to Natchitoches Monday. Mrs. C. L. Wainwright accompanied them on their return home, and will visit Mr. and Mrs. Henry for the next few weeks.

Mr. H. M. Hyams and daughters returned on Saturday night from Louisiana, where they attended the Confederate Reunion, and from which point they enjoyed some delightful trips, one to the Mammoth Cave, being particularly pleasant. The young ladies of the party when included also Messrs. May and Julia Prudhomme of Bermuda, were the recipients of much social attention, besides having been selected sponsors and maids of honor for different States, which in itself was a very flattering compliment for our Natchitoches girls.

Miss Ophelia Prudhomme was a charming visitor to town last week.

Congressman Brazeele and family returned home on Tuesday morning, after spending the past five months in Washington. That they received a cordial welcome, goes without saying.

Miss May Phillips left on Sunday morning's train for a week's visit to friends at Alexandria and LeCompte.

Mr. H. Simon is spending some time with his sons in Alexandria.

Mr. and Mrs. W. Fuqua and daughter left last week for a month's stay at Cooper's Wells, in Miss.

Cypress Lane is keeping abreast with the improvements and advancement that has been so marked for the past few months in Natchitoches. Mr. L. T. Taque has bought a great many of the houses in the lane, has improved their appearance very much by thoroughly repairing and painting, and pulling down the dilapidated old fences and putting up neat wire ones in place.

He has also built several new houses, and the appearance of that neighborhood has improved very much. But in spite of the new and clean houses, there is one thing in that locality that is apt to cause a great deal of sickness and trouble; a small pond that runs through some of the back yards filled with slimy stagnant water that should be drained off at once and filled in, and then lime or other disinfectants freely used.

There should be no delay about this matter, but it should be made compulsory by the proper authorities if not attended to at once.

The Grand Ecore Bridge.

Major M. S. Hastie, Sr. of Fort Worth, Texas, representing the Grotton Bridge Co. of New York, A. M. Blodgett and J. Newall of the Chicago Bridge Co. were in Natchitoches this week for the purpose of submitting proposals for the building of the iron road and wagon bridge across Red River at Grand Ecore.

As Major Casey, the chief engineer of the United States Engineering Department has up to now not approved the location of the bridge, this matter had to be deferred and another date set for the letting out of the contract which will be August 6th.

These gentlemen are highly pleased and thoroughly satisfied with the financial arrangements that have been agreed upon and this ensures prompt work when the contracts are finally made, and work is begun.

Cotton is making fine progress these bright hot days, while corn is gaining an immense growth.

Women Wonder Why

They are doomed to so much suffering. But are they doomed? Is not the suffering the result of conditions which under skillful treatment might be entirely cured? Thousands of women who have been great sufferers, have learned that suffering was unnecessary after using Dr. Pierce's Favorite Prescription. It heals diseases of the delicate womanly organs and banishes the headache, backache and other aches which are the consequence of these diseases.

"Favorite Prescription" is absolutely a temperance medicine in the strictest meaning of the term. It contains no alcohol and is free from opium, cocaine and all other narcotics.

"I write you for advice February 4th, 1896," writes Mrs. Lena Halstead, of Clarence, Cheyenne Nat. Ind. T. "I was racking with pain from the back of my head down to my heels. Had hemorrhage for weeks at a time, and was unable to sit up for ten minutes at a time. You answered my letter, advised me to use your valuable medicine, viz. Dr. Pierce's Favorite Prescription, Golden Medical Discovery, and Pleasant Pellets; also gave advice about injections, baths and diet. To my surprise, in four months from the time I began your treatment I was a well woman and have not had the headache since, and now I put in sixteen hours a day at my work."

Sick women are invited to consult Dr. Pierce by letter free. All correspondence private. Address Dr. R. V. Pierce, Buffalo, N. Y.

Court House Notes.

The wheels of justice continue to grind at the temple. The second week of the term of the District Court opened Monday, with a light docket of misdemeanor cases. In view of the lightness of the docket and the conditions of the crops, Judge Porter discharged the jury for this week. Cases for next week will be fixed to-day and Friday.

Foreman Aaron and his grand jury are still at work, but expect to adjourn Friday evening or Saturday morning. The Grand Jury has had 166 cases docketed, covering various violations of the law. Up to Wednesday, (yesterday) sixty-six true bills have been reported to the court.

District Attorney Wilkinson is getting up to his new harness, and is giving evidence of making a fine officer.

Sheriff Freeman, who always has an eye to the proper thing has covered the court room floor and halls with a thick layer of fresh, cool saw dust, much to the gratification of every one. He and his deputies are keeping the work of the office up to the dot, and still do a little collecting of delinquent taxes.

Clerk Hyams returned on Monday, looking refreshed and invigorated after his vacation to the Louisville U. C. V. reunion, and as at his desk giving affable attention to all who call.

Chief Dy. Clerk V. G. Hyams is holding down the court desk with dignity and ability.

The following convictions and sentences are the result of the term up to Tuesday night:

James Chapman, colored, charged with murder, found guilty of manslaughter, fined \$15 and cost, or 15 days in jail, for assault and battery. Minerva Sims was fined \$10 and cost or 15 day for violating labor contract. Jack Barney, guilty of larceny, 8 months penitentiary. Richard and Bob Beary, willfully shooting at, each eight months in penitentiary. Ed. Boey, obtaining money under false pretense, 4 months in parish jail. Eliza Simpson, larceny, 12 months penitentiary. Paul Derbanc, obscene language, fined \$20 and cost, or 20 days in jail. Oscar Pama, assault and battery, \$15 and cost, or 15 days. Leifida Nash, obscene language, \$10 and cost, or 20 days. Henry White, concealed weapons, \$25 and cost, or 60 days. H. Hernandez, concealed weapons, \$25 and cost, or 20 days. James Davis, two cases, concealed weapons, \$25 and cost, or 30 days in each. S. M. Timons, violating labor contract, \$2 00 and cost, or 90 days. Geo. Rinis, plead guilty to assault and battery, fined \$5 and cost, or 5 days. Luke Posim, concealed weapons, \$15 and cost, or 25 days. Prosper Fisher et al., violating fish law, \$5 and cost, or 5 days. Allen Johnson, larceny of one barrel whisky.

The murder case of Jas. Chapman is the only one of a serious offense yet to come before the court this term, and District Attorney Wilkinson achieved quite a success in securing a verdict of guilty of manslaughter, he had a hard tussle with the two young attorneys for the defense, Mr. Milton Cunningham and Mr. N. T. Smith, who made a masterly defense of a bad case, and handled it most skillfully. This was Mr. Cunningham's first appearance in the court of his native parish, and he has unquestionably given evidence of a brilliant future.

In this case Judge Porter being recused, Mr. M. H. Carver was appointed special judge, and he presided with dignity, grace and ability, and showed himself well worthy of the cognomen "Judge."

The Death of Mr. C. Roche.

Mr. Charles Roche died at St. Maurice on last Wednesday, the result of stabs inflicted by a colored man named Jim Collins. Mr. Roche, who was the nephew of Mr. J. C. Keyser, was a resident of Natchitoches for a number of years, and had only lately returned from St. Louis, La., and was working for Mr. E. J. Gamble, at St. Maurice, where the difficulty occurred. It seems that the negro was whipping a white ox, and the deceased interfered, whereupon Collins pulled his knife and inflicted two stabs in the back and breast, and internal hemorrhage followed a few minutes.

The remains were brought to town and buried in the Catholic cemetery on Thursday evening at five o'clock, and were followed to the grave by a large number of sorrowing friends. The Enterprise extends sympathy.

Mrs. J. W. Freeman entertained the Round Table Club on last Thursday afternoon, and in spite of the intense heat a pleasant evening was spent. Delicious ice cold lemonade was served off and on throughout the game, at the end of which a delightful little repast followed.

Mrs. Ed. Phillips carried off the first honors of the evening, while Mrs. Alice Dubieux took the other.

Owing to the very inclement weather that threatened last Friday night, in fact a very ugly wind and sand storm blew and looked very serious for some three quarters of an hour, the sanitation meeting did not materialize.

Some dozen or more people gathered after the storm passed, but it was thought best to postpone it until some more opportune time.

The remains of Mrs. Mary E. Rousel, nee Chamard, who died at Grapone's Bluff on Tuesday, were brought to town on Wednesday, and buried in the Catholic graveyard. The deceased was a former resident of Natchitoches, and had many relatives and friends here, to whom The Enterprise extends sympathy.

Use time and ashes very generously after your premises and a healthy summer is assured, not only to you, but your neighbor.

Some More Railroad News.

A late telegram from Blenville to the Times says that work on the extension of the Louisiana and Northwestern railroad goes on apace. It is rumored that the road will be deflected from the original survey and will be built in the direction of Natchitoches.

The boring on the Artesian Well still progresses slowly, second rock however having been drilled through very successfully. A depth of 210 feet has now been reached, and a couple of light water veins struck, and those interested still claim that the proper vein with a strong enough flow to supply the demands will be reached at 300 feet.

PREVENTED A TRAGEDY.

Timely information given Mrs. George Long, of New Straitsville, Ohio, prevented a dreadful tragedy and saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her, and she writes this marvelous medicine also cured Mr. Long of a severe attack of Pneumonia. Such cures are positive proof of the unmatchable merit of this grand remedy for curing all throat, chest and lung troubles. Only 50c. and \$1.00. Every bottle guaranteed. Trial bottles free at Natchitoches Drug Co.

Natchitoches has been experiencing some real old fashion hot weather this past week, the thermometer equipping with the upper end of the nineties; and this is only a gentle hint of what is to be for the next two or three months.

"Difficultly gave way to diligence," and disease germs and blood humor disappear when Hood's sassafras is faithfully taken.

The Rice Belt Journal published at Welen, Calcasieu parish by Richard Harrison, editor, came to our X table last week and is put on that list with pleasure.

Prominent Citizen Dead.

John W. Taber Passed Peacefully Away Yesterday Afternoon.

John W. Taber, one of the most prominent figures in the business circles of Shreveport, died at 4:15 o'clock yesterday afternoon June 11th, at his home in this city after an illness of several weeks. The funeral will take place from the residence, in the city cemetery.

John W. Taber first saw the light of day in Natchitoches on March 15th 1839. His earliest years were passed in that place during which time he served a term as postmaster. In 1865 he removed to New Orleans and engaged in the drug business, being a member of the firm of Ball, Lyons & Co. Mr. Taber was later associated with Messrs. M. R. Regina Mullen of New Orleans. Six children were born to him, only one of whom, David F. Taber, of this city, survives. Mrs. Taber died in Shreveport in 1882.

Mr. Taber came to Shreveport in 1870 and spent the rest of his life here. He opened a drug-store on Texas street at the location now occupied by F. Martel & Son. In 1873 Mr. Taber sold out to R. C. Ward and entered the employ of Lindsay & Steer, as book keeper, a position he occupied for six years. Subsequently he was secretary of two companies then in existence.

Mr. Taber embarked in the insurance business as a member of the firm of Marburg & Taber. The partnership continued for years and when it was dissolved, Mr. Taber remained in the insurance field. His son, David F. Taber, was recently admitted to the firm. While still associated with Mr. Marburg, Mr. Taber organized the Shreveport Fire Insurance Co., which enjoyed a brief but profitable existence. In 1887 he was elected secretary of the Commercial Building Association. He was elected secretary and repeatedly honored with unanimous re-elections, holding the office at the time of his death. During association he handled over a million dollars of the Association's funds.

About five years ago, Mr. Taber, who had great ability as an organizer, formed the People's Telephone Company. Mr. Taber was made secretary and devoted much of his time to the affairs of the company. After several years of successful operation the plant was sold at a good profit to the Cumberland Co.

To Mr. Taber more than any other citizen was never wholeheartedly interested in the Hargrove Cotton Mill Company of which he was secretary. He was a prime mover in the formation of the Humane Society and was its president. He aided materially in the organization several years ago of the Mechanical Library Association. He served a term in the city council, succeeding the late Chas. Ouliges. He was a member of the A. O. U. W. and the I. O. O. F.

In 1884, Mr. Taber married Mrs. Roseline Bordelon, who with one son, Edward, by the marriage, and David F. previously mentioned survives him.

Mr. Taber was a liberal, progressive and charitable citizen, and the peer of any man in public spirit, faithfulness to friends and integrity of purpose. His beauty of character is best shown by the fact that a number of widows in the city always went to him for counsel which was never withheld, and their interests received the same careful consideration given his own and employers affairs.

The deceased is well remembered in Natchitoches where he was born and reared, as the forgoing account which is clipped from the Shreveport Times states and he has many old comrades and friends throughout the parish who will be really grieved to learn of his death. His widow is also from Natchitoches having been Mrs. Roseline Bordelon, nee Phisance, prior to her last marriage. The Enterprise extends the sympathy of our community.
