STEEL Tractors Have Come

Why pay \$2,000 to \$3,000 for a clumsy iron tractor outfit that wastes one fourth your fuel in pulling its self, that can't get into fence corners, that can't be used on soft ground? Why do it, when for less money you can get a powerful Bates All-Steel Tractor? The Bates, being all steel and not iron, weighs nearly 8,000 lbs., less than other tractors of same power! That means a tremendous fuel saving, and you can plow faster and can harrow your fields, FOR THE BATES DOESN'T PACK THE SOIL.

TURNS SQUARE CORNERS.

The only tractor plowing outfit in the world that turns square corners. Can get right into fence corners. No need to finish your fields by horse plowing. No need of a plowman. The Bates Direct-Connected Plowing System enables you to handle both engine and plow yourself. Plow platform is parallel with and connected with the engine platform. No getting off to handle plows. No heavy lifting. Controlling levers in easy reach. Only one adjustment required.

The Bates All-Steel Tractor will plow, disc, harrow, roll or seed any part of any field that horses can work in. Other tractors won't do it. They are too heavy. They must pull too much dead weight.

With this outfit you can plow 8 to 12 acres per day. It does the work of 16 horses. Plow carriage can be instantly taken off and engine is then ready for other farm jobs.

WRITE! Write for latest Tractor book—handsome, interesting, fully illustrated. Shows how and why the Bates All-Steel Tractor in 3 years forced to the front. You will be agreeably surprised at the PRICE too. Book comes by return mail.

The Love Letters of a Confederate General

WE begin in the November issue a series of real love-letters written over fifty years ago by one of our national heroes to his sweetheart during the period of '61 to '65. This great general will go down to posterity as having accomplished one of the most brilliant feats of arms in the history of the world. He was as great a lover as he was a general, therefore these letters combine authentic history and exquisite romance. They sound a human note that no other work of literature has done in a decade; it is war, it is romance, it is history, it is literature. You simply can't afford to miss this wonderful series—an inside story of the Civil War now published for the first time and containing all the freshness of a contemporary happening. These letters will grip you hard, and hold your interest from first to last. Fill out the coupon and send it now before you forget it.
