THE FOUNTAIN AT THE PANAMA-PACIFIC INTERNATIONAL EXPOSITION THAT SYMBOLIZES THE BUILDING OF THE PANAMA CANAL

The labor that went into the building of the Panama canal is symbolized in the Fountain of Energy, by A. Stirling Calder. This heroic sculpture stands in the center lagoon of the three lagoons of the South Gardens and faces the main entrance gates. The waters were first released on opening day, February 20, coincidentally with the opening of the portals of the exhibit palaces and by the same means: the electric spark transmitted across the continent when President Woodrow Wilson opened the great exposition at San Francisco by wireless.

THE "ZONE," THE PLAYGROUND OF THE PEOPLE OF THE WORLD AT THE PANAMA-PACIFIC INTERNATIONAL EXPOSITION

Through the center of the Zone, the amusement section at the Panama-Pacific International exposition at San Francisco, runs a broad avenue three thousand feet in length. It is not unusual for this entire avenue to be jammed with entertainment seekers who are busy patronizing the one hundred concessions on the Zone. An exact reproduction of the Panama canal is one of the popular and instructive features, there being a constant line both day and night of people eager to see the workings of the miniature canal. The premier showmen of America have assembled here their finest offerings of amusement, edification and instruction.

THE MIGHTY COURT OF THE UNIVERSE, THE HUB OF THE ARCHITECTURAL SCHEME AT THE PANAMA-PACIFIC INTERNATIONAL EXPOSITION

All visitors to the Panama-Pacific International exposition at San Francisco at some time during their stay at the exposition make their pilgrimage through the Court of the Universe. This is the largest court on the grounds and is the central radiating unit of the architectural and ground plans. Noble sculptured groups embellish it, the two Homeric groups—the Nations of the East and the Nations of the West—surmounting the giant arches at the east and west portals. By night the beauty of the court is enhanced by the flood lighting effects.

Saved Girl's Life

"I want to tell you what wonderful benefit I have received from the use of Thedford's Black-Draught," writes Mrs. Sylvania Woods, of Clifton Mills, Ky.

"It certainly has no equal for la grippe, bad colds, liver and stomach troubles. I firmly believe Black-Draught saved my little girl's life. When she had the measles they went in on her, but one good dose of Black-Draught made them break out, and she had no more trouble. I shall never be without
