Mr. M. E. Prudhomme.

The death of Mr. M. Edmond Prudhomme at half past eight last night (Wednesday) caused a wave of sorrow to sweep over all Natchitoches.

Cut down in the heyday of his successful young manhood, with a future full of promise before him, the grim Reaper has brought to an untimely end one of Natchitoches most brilliant young citizens and many friends are sorrow stricken.

While the deceased had been in poor health for some time, just ten days ago after returning from a State Convention in Baton Rouge apparently well and in good spirits, he was suddenly stricken and tho he rallied for a day or two, the end came fast, bringing sorrow and distress.

Mr. Prudhomme was the third son of Mr. and Mrs. P. S. Prudhomme and besides his parents, leaves two sisters, four brothers and many other relatives and friends to ever hold him in loving remembrance.

Cut Your Store Bill Down One Half

Tens of thousands of farmers as well as town and city folks cut down their store bills one-half last year and saved money in spite of generally short crops and reduced wages.

Absolutely millions of dollars were saved and countless families lived better than ever before in the face of the cotton crisis and general business depression.

How were these burdensome store bills cut down? By the real money-saving power of good home gardens, rightly planted and kept planted and tended through the season.

Hastings 1916 Seed Catalogue tells how to cut store bills down; tells about garden and farm seeds of kinds and a quality that cannot be bought from your merchant or druggist. It's full of garden and farm information. It's free if you ask for it. Write for it now. H. C. HASTINGS CO., Atlanta, Ga.—(Advt.)

—and I'll Be Laid Up Several Weeks Longer

WHY, a brick fell from the third floor of a new building and connected with my head. In a hospital for a long time with a cracked skull, fever, delirious, and heaven knows what all.

But every month, regular as clockwork, along came a check for \$200 from the ETNA. You see, my ETNA ACCIDENT POLICY calls for \$50 weekly while totally disabled, \$25 a week while partly out of commission, and also surgeon's fees or hospital bills. Makes it hard for me, eh? Man, I'm an optimist of the purest ray serene.

What did the policy cost? If I told you how little, you'd say I'm still raving. Come up tonight and I'll tell you. So long!
