Telephone Troubles

BELL Telephone employees are constantly trying to prevent trouble of any kind in the workings of the equipment, and to repair such troubles as soon as possible after they occur.

Subscribers are asked to report trouble immediately, and to exercise a reasonable patience while it is being cleared.

If you do not see a man actually working on your telephone, it does not mean that you are not receiving proper attention.

The difficulty may be at the switchboard, in the cable or at any one of several other places. Two or three men may be at work hunting it down.

It is always our first consideration to clear troubles promptly.

CALLED HER FAMILY TO HER BEDSIDE

Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now She Is a Well, Strong Woman and Praises Cardui For Her Recovery.

Royse City, Tex.—Mrs. Mary Killman, of this place, says: "After the birth of my little girl... my side commenced to hurt me. I had to go back to bed. We called the doctor. He treated me... but I got no better. I got worse and worse until the misery was unbearable... I was in bed for three months and suffered such agony that I was just drawn up in a knot... I told my husband if he would get me a bottle of Cardui I would try it... I commenced taking it, however, that evening I called my family about me... for I knew I could not last many days unless I had a change for

the better. That was six years ago and I am still here and am a well, strong woman, and I owe my life to Cardui. I had only taken half the bottle when I began to feel better. The misery in my side got less... I continued right on taking the Cardui until I had taken three bottles and I did not need any more for I was well and never felt better in my life... I have never had any trouble from that day to this." Do you suffer from headache, backache, pains in sides, or other discomforts, each month? Or do you feel weak, nervous and fagged-out? If so, me... for I know I could not last many days unless I had a change for

Hurrah! Ringling Day Almost Here

Big Circus and Great Spectacle Occupy Five trains Crammed with Wonders

The Big event for which the youngsters and grownups have been patiently waiting is drawing near for on **Monday October 8 Ringling Bro's Circus is to exhibit afternoon and night in SHREVEPORT.**

Expectancy never ran so high before and it is likely that this district will send a large delegation to feed the elephants. Unusual interest centers around the gigantic spectacle, "Cinderellas," with which the famous showmen are this season opening their wonderful main tent program. "Cinderella is probably the best loved of all fairy tales and to see it produced with more than 1000 persons, hundreds of dancing girls and glorious pageants, indeed gives promise of making "childhood's golden dreams come true." In the same great tent will come the marvelous circus numbers in which 400 men and women performers, scores of trained animals and a galaxy of special features are introduced. The majority of acts are entirely new to America, the Ringling Bro's have secured the pick of all European performers who have been obliged to seek engagements in this country. The all-new street parade will take place show day morning.

FIRST BAPTIST CHURCH

Next Sunday, the first Sunday of the new quarter, will be a splendid time to begin your connection with the Sunday School. From the time on, careful records are to be kept of the work done by all of the students. The Lord's supper will be observed at the morning hour. The evening service has been called off on account of the Sunday School Convention that is to meet with us that evening. The public is cordially invited to attend all of these services.
