YOU CAN BEGIN WITH THE LARGEST PAYMENT FIRST AND DECREASE YOUR PAYMENTS EACH WEEK

THE PLAN OF THE CLUB

The Christmas Banking Club was planned to give everyone an opportunity of acquiring money by paying a specified amount each week.

You begin with a certain amount, 10c, 5c, 2c, or 1c, and increase your deposit the same amount each week. Or you can begin with the largest payment first and decrease your payments each week.

If you wish to deposit the same amount each week, 50c, \$1.00, \$5.00 or any amount you may do so. In our "X" Club we can make any additional Club you may want. Join today.

SAVE A LITTLE EVERY WEEK.

The more you put into our Christmas Banking Club the more you will have. You spend many times the small amounts right along for things you don't really need, or on extravagances you can easily go without.

Remember this—that you will miss the little amounts you put into the Club and they grow and grow until you have a nice little sum to your credit. This money you can so easily save now may some day protect your old age, or keep your family from poverty—and poverty is the worst disease of all.

Saving your money is not only the patriotic thing to do, but it is the sensible thing to do as well.

We pay you 3 per cent on your Christmas savings
