MEDICINE VS. FOOD.

Do not buy something which you already have. You have food which you feed your horses, cattle and sheep, but when you want medicine, buy only medicine. That is what you get in B. A. Thomas' Stock Remedy. We sell it and guarantee it to be medicine. We tell you that it will tone up the entire system of your stock and aid digestion, there by causing them to eat all the food value out of the grain you feed them.

No, Thanks, Old Man - I Don't Need a Thing

Tell the boys at the office the wife and I are mighty grateful just the same.

Luckily, I took out an AETNA DISABILITY POLICY shortly before I fell downstairs and broke my arm. That brings me \$50 a week once a month, and will as long as I'm totally out of the running, besides paying the surgeon. After that, \$25 a week until I'm fit to tackle the job again.

You know how we all chipped in on a little collection for Del Morgan when he cut himself on that ink scratcher, got blood poison, and was laid up so long? While Del appreciated it, he was pretty embarrassed. That taught me my lesson. I telephoned the AETNA and told 'em I wanted to
