Court Postponed

Natchitoches, La., May 13th, 1922.

To Editor of Natchitoches Enterprise, N.Y.

Having received petitions with the signature of several hundred citizens of this Parish, requesting that the June Term of the Criminal District Court be postponed, I am here enclosing you a copy of an order I have this day issued, directing the Clerk of Court to issue registered notices, with return receipt, addressed to the Post Office of each Juror, giving notice of the postponement of said court.

I have done this for the convenience of and feel that it will be of great assistance to the farmers of this parish at this time, by reason of the excessive rains we have had and the late conditions of the crops of this Parish.

I ask this publication in order that the public may know of the postponement of Court for two weeks.

Very respectfully,
JAS. W. JONES, JR.
