Is The Title Good?

If you already own or are about to buy property in town or country you should obtain an abstract of the title to it. This would show what defects if any there are in the title. If you have not yet bought it may save you a loss. If you already own and there are any defects in it you will want to have these removed and if there are none it will reassure you. In any event an abstract of the title will facilitate a sale while the absence of one may prevent or delay it. We have abstracts of the title to property in town and country for sale at reasonable prices.

"Slimy Taste"

"When I feel stupid, get constipated, or bilious, I take a good dose of two of Black-Draught and it sets me straight," writes Mr. George B. Haislep, of R. F. D. 2, Columbia, S. C. "It cleanses the liver and I feel all right, and have not used any other medicine as I do not see the need of it. I am a guard at the State Reformatory, and have been for three or more years. When I first heard of

BLACK-DRAUGHT Liver Medicine

and the good medicine it was, I had been having a tired feeling when I'd get up in the morning. I would be stiff and sore, and had a slimy, bad taste in my mouth, but didn't think so much of it till I began to feel stupid and didn't feel like eating—then I knew I needed medicine. It was then I began Black-Draught, and I felt all made over, ready for any kind of work, ready to eat and sleep. So, for any return of this trouble, I take Black-Draught, and for 25 years it has been my medicine, and I wouldn't be without it at all. My work is constant. I am on my feet a lot. I am out of doors, and fresh air and Black-Draught are all the medicine I need. I recommend it to others for I know it is good."
