

SQUIRE EDGEGATE — One Way of Stopping Violations of the Law

A Wish

"I have taken Cardui for run-down, worn-out condition, nervousness and sleeplessness, and I was weak, too," says Mrs. Silvie Estes, of Jennings, Okla. "Cardui did me just lots of good—so much that I gave it to my daughter. She complained of a soreness in her sides and back. She took three bottles of

CARDUI

The Woman's Tonic

and her condition was much better. "We have lived here, near Jennings, for 26 years, and now we have our own home in town. I have had to work pretty hard, as this country wasn't built up, and it made it hard for us.

"I WISH I could tell weak women of Cardui—the medicine that helped give me the strength to go on and do my work."

The Christmas Holly Girl

THE MAIL CARRIER

FOR many years, in good weather or bad, day after day, he had followed his chosen job faithfully and well. He had carried many, many Christmas presents in his day, too. This year one of the families he had served so regularly prepared a Christmas box for him and for his wife and for his children.

"It is the first Christmas box I ever received from one of my families," he said. "Wasn't it thoughtful of them to have remembered their mail carrier?"

But the people were saying, "To think that we haven't done something of this sort every year. The mail carrier does so much for us and we, at times, almost seem to forget he's even human!"

DOES IT PAY TO WORRY ABOUT APPENDICITIS?

Can appendicitis be guarded against? Yes, by preventing intestinal infection. The intestinal anti-septic, Adler-ika, acts on BOTH upper and lower bowel removing ALL foul, decaying matter which might start infection. EXCELLENT for gas on stomach or chronic constipation. It removes matter which you never thought was in your system and which nothing else can dislodge. One man reports it is unbelievable the awful impurities Adler-ika brought out. ESTORGE DRUG CO.
