—The annual sale of lots in the James A. B. property came off as advertised. H. A. Harris, the New York engineer, officiating, a large, good humored crowd was present at bidding was quite lively. The first lot offered was at 10:30 o'clock, and by 12:30 the last lot was sold. The amount raised was very satisfactory aggregating \$11,035, which was about 10 per cent more than was asked for the sale. All the lots were bought by our home people, and raised in price from \$500, the highest to \$130, the lowest. Mr. H. C. Eds bought the Lee residence at \$2100, a great bargain. E. Harris deserves great credit for the masterly manner of working up and completing this sale. It was at all times the courteous, pleasant and witty gentleman, who allies often eliciting hearty laughs. As advertised it was truly "red letter day" for old Iberia.
