LOCAL NEWS.
Our new jail has been completed and was accepted and turned over to the Parish authorities last Thursday, at a special meeting convened for that purpose. President J. F. Brittain, of the Police Jury accepting same for the Parish in accordance with a resolution to that effect. The new jail is modern and convenient and is a completion in every respect of the specifications of the contract. President Brittain has carefully guarded the interests of the Parish by constant vigilance and activity, and he and the Jury are entitled to the thanks of the tax payers. We now have a jail that the most fastidious "jail reformer" could not object to, and to our mind seems too good a place for ordinary criminals, many of whom will never enjoy the luxury of a bath till they become incarcerated in this modern jail. The entire cost is \$19,985.09.

Lost—Hunting pup, jet black, about 3 months old. Reward at this office.

We are called upon to chronicle the sad event of the death of Mr. Elias Louis Bernard, aged 23 years, who died at Lake Charles last Wednesday night of pneumonia. His remains were forwarded here for interment, and were met at the station by a large circle of relatives and friends of the family. The funeral was held at the Catholic church, Rev. Father Polin officiating. It is sad when death claims those who have reached the allotted time of life, but more sad when he reaches out his hand for the young, who are just crossing the threshold of life, looking joyously, hopefully to the future which seems bright with promise. But it is the Father's will, we can but bow in submission—our ways are not his ways. Deceased was a brother of Mrs. Geo. W. Dallas and Mr. Ursin Bernard of this city. We offer the family and friends our sincere sympathy and regret.

For Sale—A splendid Creole pony, specially adapted to family service. Sound, gentle and perfectly safe. Trained to saddle and harness. Apply at once to J. B. Lawton.

The match races that will occur to-morrow, at the Iberia Park, offer varied entertainment: First the race between "May D" and "Brack Morris," from Lafayette and Jeanerette respectively, will be a very exciting one as the horses are well matched and have been carefully trained. Second, the race between "Bishop Reed," another Jeanerette horse and "Azua" from New Orleans. It is expected the town of Jeanerette will walk away from the Crescent City in the trial of speed, and consequently capture the prize of \$50. The track is in fine condition and all arrangements for the comfort and amusement of the people carefully made. Admission to the grounds, adults 25c. Children 15c. First race at 3 P. M.

We have been presented with a bottle of oil from the Anse la Butte Moresi well. A barrel of the product was sent to Jeanerette for inspection by the stockholders, and this sample was brought up by Marshal Charles Palfrey. The oil seems to be equal to any that is used at this place, and will not do but net the owners as much per barrel as any of the Texas or Jennings product. Gradually the oil field is being extended and we doubt not if a fair test well was put down in Iberia we would find oil in great quantities as Welsh or Jennings of the Anse La Butte. What we need is some one to head a company, raise the money and make the attempt, either "make a spoon or spoil a horn."

The Iberia Building Association will furnish money to build any style of house that may suit you, and you can repay your loan in weekly, monthly or yearly installments as best suits your convenience. The cost of your home will be little more than the rental of the property.

There will be a grand ball given by the firemen, Thursday, Sept. 11th, at City Hall, at which fine music will be rendered by the city's pride, the Pelican State Band. Delicate refreshments will be served by the lady friends of the fire laddies, and you may expect a first class time. An evening of enjoyment and at the same time you will feel that you are helping a good cause that of the firemen, whose unselfish services may be required by you this very day or night, and they are ever ready to serve you. The just, with the unjust. So come out and contribute your mite, and thus place yourself in the category of the just.

The match game of ball last Sunday, between the Patterson and Iberia teams for the magnificent purse of \$75.00, which was given by the Iberia Park Association to the successful contestants, was captured by the home boys in a score of eleven to nine, as follows:

We have been favored by our friend Mr. James (tebert), now summering in Colorado with a copy of the Colorado Springs Gazette, a daily paper published at that place. Pages 12 and 13 are devoted to a balance sheet of the El Paso County for the six months ending, June 30, 1902. This is a most elaborate and detailed statement of receipts and expenditures, in which every dollar collected or paid out appears under its appropriate fund of which there are some thirty. A business statement easily comprehended by the people, who can at once see the financial condition of their country by simply reading. It would be well for Parish officials to do likewise. A semi-annual statement of the officers of the Parish would be mightily interesting reading, and would not require a Grand Jury as interpreter.

CARD OF THANKS.
We earnestly desire to express our heartfelt thanks to the friends of the late Elias Bernard, for their kindness and attendance at his funeral. Special thanks are due Mr. Achille Patin and family, who were so thoughtful and kind, in rendering us a service which shall always be remembered.
