LOCAL NEWS.

—A number of funerals this week, one of the saddest, that of Mr. Arthur C. Bauman, son of Mr. and Mrs. Jake Bauman, which occurred at the Episcopal church last Monday. Arthur was just entering life with all the enthusiasm and promises of youth and brilliant qualities. Beloved by a host of friends his future seemed assured, but disease fastened upon him and in spite of physician's skill, or prayers of friends, his spirit passed to the great beyond, there to commence an existence which shall never end and where ties can never be broken, as in this vale of tears. The sudden demise of this worthy young man was a great shock to the family and to the community. The funeral was largely attended, a conspicuous feature being his young companions of the Iberia Juniors Base Ball Club, who acted as pall bearers and guard of honor. To the family and friends we extend our heartfelt sympathy in this their hour of trial.

—We must call attention to the City Fathers to the neglected condition of many of our streets that are grown up in weeds, in some places four feet high, presenting a very unlovely and disgraceful aspect. In lower Main street there are briars which will give a big crop of blackberries next spring if allowed to continue their growth. In many instances these weeds lay over to the sidewalk and in wet weather are anything but pleasant, especially to our lady friends. Cannot something be done to remove these eyesores.

—We noticed on a recent visit to the cemetery west of town known as the "Protestant Cemetery" that a great deal of good work has been done, beautiful lawns, beds of flowers, scrupulously kept, in fact the entire grounds were in a state of neatness and order that is impossible to improve upon. It is a place where our loved ones lie in that sleep to wake upon the resurrection morn. Ah this is in marked contrast to the condition that prevailed but a short time ago when rank grass, briars, and weeds with but few exceptions enveloped the homes of the dead. Under the intelligent and loving care of the Cemetery Association all this has been changed to bowers of beauty where affection can bestow its loving gifts. A visit to the grounds will amply repay anyone. We understand a Porters Lodge will soon be erected by the Association, so that the sexton shall always be conveniently near.

—Messrs. Lassalle Bros., of this city, male and horse dealers, were the recipients this week of a fine selection of sugar plantation mules and an elegant line of driving horses. Their headquarters is in rear of Benthal blacksmith shop. To those wishing to purchase a fine roadster we would advise them to call upon Messrs. Lassalle before buying elsewhere.

—A number of our Temperance Knights went to Patterson last Sunday to assist in the installation of a new Encampment, which was organized at that place, with nineteen charter members with Dr. T. W. Tarleton as worthy chief and some of the most prominent citizens of the town in the other positions, Grand Officers A. J. Dupuy, Boworth, and Kelly were present and installed the officers and the new Encampment, "Patterson No. 22" starts off in an auspicious manner. Knights from New Iberia were present as follows: Judge Robt. Brown, A. Patin, C. L. Widney and Thos. Hart.

—A broom factory is now in course of erection by Messrs. Folse, Bousard & Bayard; they expect to make brooms in large quantities and of all grades. We have long advocated a move of this kind, and we feel sure the projectors will find profit in the business. They should do all they can to encourage the production of broom corn and thus add another money making crop. We wish the gentlemen a full measure of success.

—The doors of that well known and popular institution, the Mount Carmel Convent will be thrown open to those inclined to receive a good education, on September 1st. These sessions promises to have a larger attendance than heretofore.

—Mr. J. B. Lawton and family left on the early morning train yesterday for Orlando, Florida, where he goes to reside permanently engaging in agricultural pursuits. It is with regret that we chronicle this departure. Mr. Lawton for a quarter of a century has been an active and potent factor in all that was progressive and elevating in our community. As editor and proprietor of the Enterprise, he has always taken a stand for such principles as would advance the interests of the town and parish. Mr. Lawton's sterling qualities were often recognized by his appreciative parishioners, by placing him in positions of honor and trust. His administration of the school affairs of this parish, as President of the School Board, was one of the most brilliant on record during which time our present splendid system was perfected by him, an earnest advocate for the education and elevation of the masses, his voice and pen were always giving loyal service. His place in this community cannot be easily filled. A host of friends bid him not "good bye" but "au revoir."

—On Wednesday August, 20th, at 6:30 A. M. at Alexandria, La. at the Church of St. Francis Xavier, occurred the marriage of Prof. A. J. Dupuy, of Iberia and Miss May Dulaney of Alexandria, Rev. Father L. Menard officiating. Immediately after the ceremony the happy couple took the train for New Iberia arriving here in due time. Prof. Dupuy is a young man well known here one that has been an honor to his community in all the graces and virtues that should adorn a typical young American citizen, he has the confidence of a large circle of admiring friends who honor him for his sterling qualities. His stay here will not be long as he will go to Thibodeaux to reside, having been appointed to the principalship of the high school of that city and whose school board have no mistake in securing his services. Mrs. Dupuy is the niece of L. T. Dulany, Esq., of this city. We wish the young couple all the joy and happiness their new relation can give, and trust their journey through life may be one long, sweet, song.

—Mr. H. W. Wilkinson was been assigned the agency at this place, for the Southern Pacific railroad in the place of Mr. A. C. Pickett, transferred to Washington, La. Mr. Wilkinson comes to us well recommended, with long experience, a pleasing personality, and affable disposition, Iberians will soon grow to regard him with favor. Mr. Pickett carries with him to his new post the good wishes of almost the entire community, and we feel that Washingtonians will welcome him in their midst as an efficient officer and worthy gentleman.

—As an evidence of the advancing values of land in Iberia parish we note that a sheriff sale was recently made of the Ransette property in 2d Ward, when after spirited bidding the property, some 70 arpents was awarded to Mr. John C. Bussey for \$4,600 cash.

—Another of our young citizens has been called to his last home on Sunday last, Mr. Albert M. Moutz, an adopted son of Mr. T. J. Walsh, was followed to the grave by his many friends. The Lodge of Knights of Honor at this place taking charge of the ceremonies. Mr. Moutz was one of our rising young mechanics, who was rapidly making his place among men, being only 26 years of age, is deplored by all. Truly it is said "in life we are in the midst of death." To the sorrowing friends we offer our sincere condolences.

—Messrs. Summers & Vuillemot, of this city, are representing the brokerage firm of Odell & Co., Cincinnati, Ohio, and have opened an office in the Segura building. We predict for them success in their new venture.

—Died at the home of her daughter, Mrs. Kelly, Mrs. J. W. Hallows, in the 85th year of her age, surrounded by loved ones who tenderly laid her to rest, crowned with the glory of her four score years, full of Christian duties well performed.

—Sad tidings came over the wires last Friday announcing the death of young Emile Laplene, at Johnston, Pa., who met a tragic death in that city last Thursday evening. Nothing in the message indicated the manner of his death, which we presume will be imparted to the family at a later date. Mr. Laplene was the only son of the late Bernard Laplene aged 21 years. His funeral will take place from the Catholic church on Tuesday next, August 26th, at 10 o'clock a. m.

—We continue to receive specimens of sugar cane and from present appearances the cane crop is about up to the average for the season. Our last cane is from Paul Segura's crop of forty acres. The cane has over four feet of red joints of large size and diameter, and if the crop from which it was taken is like its representative, Paul has a good thing this fall, even if prices should be low.

—Last Sunday evening our citizens were again regaled by the splendid program of the Pelican State Band at their pavilion at Week's Grove, where hundreds were assembled to listen to the flood of melody. The arrangements were all made with reference to the convenience and enjoyment of the hearers. Policemen kept the streets open so no jarring should occur among the many drivers of vehicles and also in preserving the best of order. These concerts are now an institution of the town and thoroughly enjoyed by all old and young.

—We are informed that disease among cattle is prevailing on the place of an old darkey by name of Vincent, living several miles from town, he losing several head in the past few days. Health officer Emmer is making a thorough examination of his stock to ascertain whether or not the disease is charbon.

—A match game of ball will take place at the New Park on Sunday, August 31st, between the St. Martinville and Iberia Juniors for a purse of \$100. The gate receipts will be applied to the funds of the Junior Club. Considerable enthusiasm is being manifested by the lovers of the sport, as this promises to be a close contest.

—The Senior Club of this city gave a splendid exhibition of what they could do in the base ball line last Sunday, at the Franklin Park, when they defeated the Franklin boys in a score of fourteen to nothing. Messrs. Terrel and LeBlanc doing excellent work on this occasion.

The undersigned desires to express our appreciation of the many kindnesses and loving acts of the many friends of our dear brother Arthur C. Bauman, during his funeral obsequies. We desire especially to offer our hearty thanks to the Iberia Junior baseball club for the delicate and affectionate tribute to one of their members, expressed in a most beautiful manner by a floral wreath.

From Hot to Cold.
Dysentery is prevalent everywhere in summer and is due to miasmatic poisons, and begins abruptly with inflammation of the mucous lining of the large bowel. In America the disease is common, but properly treated does not result as seriously as in the tropics. Perry Davis' Painkiller is the best known remedy and the most efficacious in the treatment of dysentery.

UNSECTARIAN AID SOCIETY.

At a meeting of the Unsectarian Aid Society on Monday last, resolutions of thanks were passed to the Cypress Lumber Company for the use of the beautiful steamer Sadie Downman, for an excursion given on the 15th, and especially to Mr. George W. Dulles for the kind and generous manner in which the offer was made and for his thoughtfulness and care for the comfort and safety of all concerned on the excursion. Guess and all the men on the boat for courtesy extended; to Mr. Smith for three gallons of ice cream; to Mr. Oltmeyer for loans of tables; to Mr. Morse and to Mr. Erath for ice furnished; and to anyone who in any way contributed to the success of the excursion.
