### LOCAL NEWS.

The minutes of the Parish Democratic Committee, having reached us too late for publication in this issue, we were compelled to omit same. Attention is directed to a resolution in another column, under heading of "Candidates," signed by Chairman Burse and Secretary Provost relating to filing of applications of all candidates for members State Central Committee.

**\$7,500.00 to loan.**  
In large or small amounts on mortgage security.—Weeks & Weeks.

A Democratic meeting is announced for the 6th of January when Hon. N. C. Blanchard, M. J. Foster, Jared Sanders and Julien Mouton will speak to the people in the interests of their candidacy. Judge N. C. Blanchard will address the people and will no doubt endeavor to show what a friend he was to sugar in the days when the industry was wrecked and rich sugar cane was not worth the hauling to the mill, being worth \$1.50 per ton. He may be able to pull the wool over the eyes of our cane planters, but we doubt it. If he had shown the courage and loyalty at that time that Senator Foster displayed recently when our industry was attacked, many millions of dollars would have been saved and the ruin of many planters averted.

The Estate of J. P. Gueydan will sell LOTS in GUEYDAN, at PUBLIC AUCTION Jan. 6th, 1904. There are 431 to choose from. Remember that Gueydan will soon be on the main line of the Southern Pacific.

Our community was shocked by the sudden death by heart failure last Sunday of Mr. N. J. Bourke. He had long been a member of this community and numbered a great many friends. He was the head of the Improved Order of Red Men, which Lodge turned out to honor him by public demonstration, some forty were in line and made a very creditable appearance, as it followed the body of their dead chief to its last resting place. The funeral was held at the Catholic Church and was largely attended by numerous sorrowing friends, who witnessed the last sad rites at the Cemetery.

**1904.**  
The best thing to tie to this year (as ever) is a home. You can buy or build one planned to suit your ideas through the IBERIA BUILDING ASSOCIATION.

Last Sunday was generally celebrated throughout the State by the Masonic fraternity if being the natal day of St. John the Evangelist, the patron Saint of Masonry. Aurora Lodge No. 193 celebrated the event by installation of officers for the ensuing year and Girard Hope Chapter No. 23 R. A. M. by election of officers and conferring the Royal Arch Degree. Both bodies united in the discussion a banquet held at Miguez Restaurant, where a feast of reason and flow of soul continued for some hours, much to the enjoyment of all present.

No one in my line will undersell me. I will make absolutely the lowest prices in the town on goods I sell, and offer not only the lowest prices, but a line as complete as shows in a city.—R. S. McMahon.

### THEATRICAL.

Otto H. Krause will bring his company of selected players to the Vendome Opera House, opening Sunday matinee in the "Loved Him," one of the late New York successes. The charming story this play tells is one that can be appreciated by the ladies especially. It tells of a jealous young wife (played by pretty Dorothy Wallace) who so constantly quarrels with the artist husband that her home is about to be broken up when the old people, the wife's father and mother to teach them a lesson begin to quarrel. The love of the old people is patriotic and the complications of the family quarrel are laughable as well as intensely interesting. The Sunday night bill is the stirring melodrama, "The Silver Dagger" for which Mr. Krause pays a large royalty for producing. Monday night is Elks night. The house will be decorated in their colors, and the local Lodge will give Mr. Krause and Miss Holman a royal reception. The play selected for that night is "The Daughter of the Regiment" (La Fille Du Regiment) Miss Jennie Holman playing the part of the daughter. This has been her great success for years and she will appear on this night only by special request. Among the vaudeville features Mr. Krause presents the Woods sisters who introduce violin solos, cake walks, and are terribly pretty girls. Baby Hope the youngest member of the company is one of the daintiest tots on the stage. All in all we think Iberians will be pleased with the personnel of Mr. Krause Company and the fine plays offered.

Mr. Clem Barthe of Pontchartroula and Samuel Barthe of same place, sons of Mr. Victor Barthe both connected with the F. H. Lewis & Co., lumber firm of New Orleans, visited their old home during the holidays.

Mrs. L. E. Ducros who was visiting her mother Mrs. Charles Delhomme has returned to her home in Bay City, Texas.

### THE CARNIVAL.

Mr. H. B. McGregor representative of the Talbott-Whitney Carnival Co., who are to furnish the attractions for the Red Men and Woodmen's Carnival arrived in the city Thursday. He is very well pleased with the prospects and has every reason to believe that the Carnival will surpass anything of its kind ever before attempted here.

In regard to the Talbott & Whitney Carnival Co., a collection of fifteen shows the very best the amusement world affords under canvas, there are positively no immoral features connected. The trained wild animal show presents beyond a doubt the largest collection of forest bred animals on earth, all trained to perform. The Venetian glass blowers' interest the ladies and children in a high degree, every visitor here receives a handsome present. Beautiful Lotta Jalku of all spectacular dancers and her entire company of entertainers, presenting new and novel features justify entitles it to be termed societies popular favorite. The Electric Theatre where the Loop and the Loop take place. Wonderful, complete and mystifying, the dog, monkey and pony circus perfect in every respect. "Eau" Hall of Fun, old plantation tiny mite of humanity, etc. Matt Gay, champion high diver of the world. Kumure's troupe of cycle whirl riders. Prof. Robert's Military brass band give free exhibition twice daily. Completing a company of shows that are class, wholesome and novel, receiving the highest of praise from palpit, press and public wherever they exhibit. The Carnival commences Sunday January 10th and continues for 8 days. Excursions on all railroads.
