

# 5 Women Avoid Operations

For years we have been stating in the newspapers of the country that a great many women have escaped serious operations by taking Lydia E. Pinkham's Vegetable Compound, and it is true.

We are permitted to publish in this announcement extracts from the letters of five women. All have been recently received unsolicited. Could any evidence be more convincing?

1. HODGDON, ME.—"I had pains in both sides and such a soreness I could scarcely straighten up at times. My back ached and I was so nervous I could not sleep, and I thought I never would be any better until I submitted to an operation, but I commenced taking Lydia E. Pinkham's Vegetable Compound and soon felt like a new woman."—Mrs. HAYWARD SOWERS, Hodgdon, Me.

2. SHELBYVILLE, KY.—"I suffered from a severe female trouble. My right side hurt me badly—it was finally decided that I must be operated upon. When my husband learned this he got a bottle of Lydia E. Pinkham's Vegetable Compound for me, and after taking it a few days I got better and continued to improve until I am now well."—Mrs. MOLLIE SMITH, R.F.D., Shelbyville, Ky.

3. HANOVER, PA.—"The doctor advised a severe operation, but my husband got me Lydia E. Pinkham's Vegetable Compound and I experienced great relief in a short time. Now I feel like a new person and can do a hard day's work and not mind it."—Mrs. ADA WILT, 303 Walnut St., Hanover, Pa.

4. DECATUR, ILL.—"I was sick in bed and three of the best physicians said I would have to be taken to the hospital for an operation as I had something growing in my left side. I refused to submit to the operation and took Lydia E. Pinkham's Vegetable Compound—and it worked a miracle in my case, and I tell other women what it has done for me."—Mrs. LAURA A. GRISWOLD, 2437 East William Street, Decatur, Ill.

5. CLEVELAND, OHIO.—"I was very irregular and for several years my side pained me so that I expected to have to undergo an operation. Doctors said they knew of nothing that would help me. I took Lydia E. Pinkham's Vegetable Compound and I became regular and free from pain. I am thankful for such a good medicine and will always give it the highest praise."—Mrs. C. H. GRIFFITH, 1568 Constant St., Cleveland, O.

## EASY LIVING IN LOUISIANA.

A Chicago capitalist and manufacturer who came here a few years ago and bought a Rapides parish plantation, now now has his lands in cultivation, growing any crops that had not been thought of on the place before, is one of the best boosters that we have in our midst. This capitalist does not remain on the place all of this time, but he comes back and forth, spending part of his time in directing his competent overseers in the work. This gentleman in a conversation with a representative of Town Talk this week said that he could not understand how any individual owning a few acres of this excellent and around Alexandria could think of ever giving it up. That here is a living, and a fine living too, for the man who has the energy. This is true, and is being daily demonstrated.

Under the title of "Easy Living in Louisiana," Mr. Seiferth of the Times-Picayune says:

"Nature has been so lavish to Louisiana that there are fortunes to be found everywhere. The poorest individuals walk outside their doors of content and pick up enough to live as well as they like or are willing to labor for. The greatest handicap to the state's progress has been that living is so easy that there is not sufficient inducement to labor. In the North if a farmer's crop fails he has to face starvation until the next year. In Louisiana if a crop turns out wrong, the farmer has always time to plant something else that will quickly recoup his loss, and to keep on planting until he strikes the profitable market. The same holds true of other resources."

## GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, unwholesome waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

## HOW TO FEEL BULLY.

Work, and keep on working, and make every act count for something higher and better. It leaves a bully feel.

Save your money, and keep on saving, and accumulating, until you have enough of this world's goods to see you comfortably through life. That, too, is some bully feel.

Be kind, and gentle, and considerate to the members of your family. The knowledge that you are making them happy will cause you to feel even bullier than bully.

Give the little ones a smile and a pat when you meet them, and their expressions of delight will be the quintessence of bully to you.

Be humane in your handling of dumb brutes for though they may not talk with the tongue, their eyes will speak the gratitude they feel. And again you will experience that bully feel.

Speak gently of your neighbor, and forgive his faults, that he, too, may join you in the bully feel.

Spread the gospel of loyalty to home and home people upon all occasions and at all places, and the satisfaction of knowing 'tis a deed well done will add spice to your bully feel.

Lift up the fallen and assist them to tread the path of a better life, and your deed of human kindness will glorify your bully feel.

"Bully" is a mighty good way to feel, and it is quite within the reach of us all for when a right mind and a clean will precede a deed that deed will be one of the bulliest of all.—Jennings Weekly.

## ALVARADO MAN RESTORED BY WONDERFUL REMEDY.

Gets Appetite and Comfort Back After Taking First Dose.

T. A. Hensley of Alvarado, Texas, suffered for a long time from derangements of the digestive tract. He had colic attacks and digestion. His liver was inactive and he was in pain after eating.

He took Mayr's Wonderful Remedy. From the very first dose it brought swift results. He wrote:

"I have taken your treatment for stomach trouble and consider it a Godsend to suffering humanity. It has been suffering from stomach troubles for a long time, such as colic attacks, bloating after eating, sick spells, indigestion, constipation and inactive liver and gall stones. Now I do not feel like the same man. I can cheerfully commend this remedy to all stomach sufferers."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.—Adv.

The State Board of Education will meet on next Monday pursuant to call of Governor Hall, for the purpose of passing on the school census returns which have been filed with the department of Education. It is announced from Baton Rouge that every parish in the State has been heard from with the exception of Grant and St. John. The total number of educable children is 540,000, an increase of 10,000 over the number reported four years ago.

## Biliousness and Constipation.

It is certainly surprising that any woman will endure the miserable feelings caused by biliousness and constipation, when relief is so easily had and at so little expense. Mrs. Chas. Peck, Gates, N. Y., writes: "About a year ago I used two bottles of Chamberlain's Tablets and they cured me of biliousness and constipation." Obtainable everywhere. (Advertisement.)
