Whooping Cough.

"When my daughter had whooping cough she coughed so hard at one time that she had hemorrhage of the lungs. I was terribly alarmed about her condition. Seeing Chamberlain's Cough Remedy so highly recommended, I got her a bottle and it relieved the cough at once. Before she had finished two bottles of this remedy she was entirely well," writes Mrs. S. F. Grimes, Crooksville, Ohio. Obtainable everywhere.

MAMMOUTH SPECTACLE COMING TO NEW IBERIA, "THE BIRTH OF A NATION," JUNE 1-2-3.

The world's greatest spectacle, "The Birth of a Nation," will play a three day engagement at the Elk's Theatre, New Iberia, starting Thursday evening, June 1st. Matinees will be given on Friday and Saturday at 10. Evening performances will start promptly at 8:30.

The same mammoth production will be seen here that has been showing with such large success in all the cities throughout the United States. A special set of projecting machines, operated by expert mechanics, carried by the company, will be erected in the rear of the theatre, thus insuring a perfect picture from a mechanical standpoint. The stage settings will be made in such a manner that every seat in the theatre will be desirable. The screen in placed thirty-five feet from the front row of seats, making the front seats just as good as the ones in the rear of the theatre.

The prices charged here will be the same as in all cities: Lower floor \$1.00, \$1.50 and \$2.00. Balcony 50c and \$1.00 in the evening. Matinees, Lower floor 75c, \$1.00, Balcony 25c and 50c.

Seats are now on sale at the theatre office. Mail orders will be accepted if accompanied by a remittance and a stamped, return envelope.

CALOMEL SALIVATES AND MAKES YOU SICK

Acts like dynamite on a sluggish liver and you lose a day's work.

There's no reason why a person should take sickening, salivating calomel when 50 cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless. Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.

WAR DEPARTMENT.

The Adjutant General's Office, Washington, May 11th, 1916.

To all officers of the general recruiting service:

The act of Congress approved May 4, 1916, provides as follows:

"That the President is hereby authorized to appoint cadets to the United States Military Academy from among enlisted men of the Regular Army between the ages of nineteen and twenty-two years who have served as enlisted men not less than one year, to be selected under such regulations as the President may prescribe."

It is urged that the widest publicity practicable be given to this provision of law as it is believed that it will prove to be a great incentive to the enlistment of desirable applicants.

By order of the Adjutant General,

P. C. MARCH,
Adjutant General.

PEACE POSSIBLE ONLY WITH JUSTICE.

Washington, May 25.—President Wilson told callers today that the intervention of a neutral in behalf of peace in Europe could rest only on a mutual understanding by the belligerents that terms to be arranged are to conserve the interests of all and of the world at large, rather than those of a particular nation or group of nations among the warring powers.

Mr. Wilson did not disclose any definite plan of action he may have formulated in regard to peace, nor authorize a formal statement of his attitude. His callers gained an impression, however, that the president would entertain suggestions that he extend his good offices to the belligerents to bring about peace only when the conditions he outlined were likely of fulfillment.

How Mrs. Harrod Got Rid of Her Stomach Trouble.

"I suffered with stomach trouble for years and tried everything I heard of, but the only relief I got was temporary until last spring I saw Chamberlain's Tablets advertised and procured a bottle of them at our drug store. I got immediate relief from that dreadful heaviness after eating and from pain in the stomach," writes Mrs. Linda Harrod, Fort Wayne, Ind. Obtainable everywhere.

JOS. RENOUDET HONORED.

At the forty-seventh annual session of the Knights of Temperance, held recently at New Orleans, Mr. Joseph Renouet, one of the young sons of our fellow-citizen, Hon. P. L. Renouet of this City, had the distinction of being elected Grand Worthy Chief of the Order, and will be its directing head in Louisiana during the year. Another of our worthy citizens who was also honored with an office that he will fill with credit is Mr. Ozeme Jacob who was elected Grand Marshal of the Order in this State. The Knights of Temperance is undoubtedly one of the most progressive and influential orders in this State, and our own Camp in New Iberia has been the means also of doing material good by the efforts of its members in inculcating the teachings of sobriety among those who are sometimes tempted to form habits that oftentimes lead to their detriment and possibly complete destruction. We congratulate both Mr. Renouet and Mr. Jacob upon the honors they have received at the hands of the members at the State Convention.

NEW MONARCH WICK OIL STOVE

THE STOVE THAT BURNS LESS OIL AND MORE AIR.

GLASS TANKS MAKE THE BEST INDICATORS EVER PUT ON A STOVE

CAST LEGS ARE STRONGER AND MORE DURABLE. STEEL LEGS ARE FLIMSAY AND WILL BEND

The word New Monarch on a wick blue flame stove represents highest quality obtainable, absolute reliability, with exclusive features, which make them preferable in the judgment of every housewife. The slow consumption of oil, quick heating, and even burning flame, all add to their economy. Every stove is thoroughly tested before it leaves the factory to ensure this satisfaction in performance. The labor of cooking on a New Monarch becomes a delight, and the results obtained are most gratifying. The chimney raising device is a convenience which permits the operator to light the wick all around, without opening a door or tipping back the burner drum. The wick stop is positive and reliable, and prevents turning the wick up too high. The extension end shelf protects the glass tank and makes for a larger top. Safety, economy and durability are substantiated by the excellent service being given by the many thousands in use in well regulated homes. The wind shield or burner drums have three coats of blue enamel, which is melted and fused onto the steel, at a terrific heat, making them the most durable, the most sanitary, and the most easily cleaned. Rewicking the New Monarch is simplicity in itself, and can be accomplished without the use of tools and by any one.

Children Need A Warm Table Drink

Many parents understand that tea and coffee hinder mental development and body growth in their children, but are puzzled how to gratify the little folk's desire for a warm drink, without harming them.

For years now, in a considerable number of American homes, the problem has been solved by

Instant Postum

This pure food-drink is made of prime wheat, roasted with a bit of pure, wholesome molasses. It closely resembles the higher grades of mild Java coffee in color and flavor, has a delightful aroma, and is so pleasing that the older folks join the children in this wholesome beverage.

Where the rest of the family stick to coffee, Instant Postum for the children causes no extra work. A level teaspoonful in a cup with hot water and cream and sugar to taste, makes a delightful drink instantly.
