# Women of Middle Age

**Many distressing Ailments experienced by them are Alleviated by Lydia E. Pinkham's Vegetable Compound.**

**Here is Proof by Women who Know.**  
 Lowell, Mass.—“For the last three years I have been troubled with the Change of Life and the bad feelings common at that time. I was in a very nervous condition, with headaches and pain a good deal of the time so I was unfit to do my work. A friend asked me to try Lydia E. Pinkham's Vegetable Compound, which I did, and it has helped me in every way. I am not nearly so nervous, no headache or pain. I must say that Lydia E. Pinkham's Vegetable Compound is the best remedy any sick woman can take.”—Mrs. MARGARET QUINN, Rear 259 Worthen St., Lowell, Mass.

**She Tells Her Friends to Take Lydia E. Pinkham's Remedies.**  
 North Haven, Conn.—“When I was 45 I had the Change of Life which is a trouble all women have. At first it didn't bother me but after a while I got bearing down pains. I called in doctors who told me to try different things but they did not cure my pains. One day my husband came home and said, ‘Why don't you try Lydia E. Pinkham's Vegetable Compound and Sanative Wash?’ Well, I got them and took about 10 bottles of Vegetable Compound and could feel myself regaining my health. I also used Lydia E. Pinkham's Sanative Wash and it has done me a great deal of good. Any one coming to my house who suffers from female troubles or Change of Life, I tell them to take the Pinkham remedies. There are about 20 of us here who think the world of them.”—Mrs. FLORENCE ISELLA, Box 197, North Haven, Conn.

**You are invited to Write for Free Advice.**  
 No other medicine has been so successful in relieving woman's suffering as has Lydia E. Pinkham's Vegetable Compound. Women may receive free and helpful advice by writing the Lydia E. ## CALOMEL DYNAMITES A SLUGGISH LIVER

**Crashes into sour bile, making you sick and you lose a day's work.**  
 Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.  
 If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a 50 cent bottle of Dodson's Liver Tonic, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.  
 If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.

## WATER FOR RICE IMPORTANT.

Father Rousseau of Franklin was here this week to consult with the rice planters of this parish concerning the water condition. Father Rousseau has been active in taking up the matter of taking water from the Teche for rice irrigation with the war department. It is a matter of serious importance to our planters and we cannot see why the government keep these people in suspense instead of giving a positive decision one way or the other.—Messenger.  
 A New York man was fined \$25 for chewing a gumdrop in court. We shudder to think of what would have happened to him if he had chewed plug tobacco and spat on the hot stove with the charming nonchalance which distinguishes court attendants in the rural sections.—States.

## THE STOCKING HABIT.

**Little Actress in Linger Longer Lucy Has a Trunk Full.**

Miss May Collins, the “iridescent singer and dancing sourette” now radiating with the Billy S. Clifford “Linger Longer Lucy” company, is said to have a very bad case of the stocking habit. Most of the stage divinities are noted for the elegance and abundance of their hosiery, but dainty Miss Collins is fairly at the top of the tree in this respect.  
 Her collection is simply bewildering in its profusion and unlimited variety. Some of the colors are sweet-sixteen pink, Egyptian black, canine ochre, crushed strawberry, peaches and cream, Asiatic elephant, circus-wagon red, Coney Island blue, County Antrim green, striped tiger, Panama fever yellow, Confederate gray, Elgin cream, studious brown, Jamaica ginger, absinthe opalescent, California clar-et and jaundice tan. In brief, the colors of the rainbow have to take a rear seat when brought into comparison with the multifarious hues of Miss Collins' hosiery.  
 It is authoritatively declared that she is the proud little proprietor of more stockings than are possessed by any six actresses extant. Her girl friends say that it is impossible for her to pass a dry goods store without her insatiable craving for stockings overpowering her, and that she goes in, through force of habit, and invariably makes a purchase of more hosiery.  
 Mr. Clifford says that if the young lady continues blowing in her money a stockings that the railroads will compel him to pay for an extra baggage car, and he has mildly, yet firmly, requested Miss Collins to try to curb her mad propensity for cornering all the hosiery in the country.  
 Miss Collins will be seen in “Linger Longer Lucy” at the Elks Theatre, Saturday, January 20th.

## GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

**Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.**  
 Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

## THE POSTAL SAVINGS BANK.

When people begin to observe the first operations of the Postal Savings Bank, and discovered their deposits were all placed in the local banks by the postmasters, there followed a good deal of discussion as to why the depositors should not take their money direct to the local bank, inasmuch as these institutions are under the direct supervision of Federal and state authorities. The bankers must have eventually decided that the new system was a good thing for them; and since they have ceased to oppose postal savings there has been a big increase in the postal banks.

There were 369 widows married in Houston during 1916, according to George Bailey, of the Houston Post. We take it for granted that they were the celebrated red-headed variety. When one of that type determines to run a man down there is no hope for him. He is bagged every pop.—N. O. States.
