GIRLS! WHITEN YOUR SKIN WITH LEMON JUICE

Make a beauty lotion for a few cents to remove tan, freckles, sallowness.

Your grocer has the lemons and any drug store or toilet counter will supply you with three ounces of orchard white for a few cents. Squeeze the juice of two fresh lemons into a bottle, then put in the orchard white and shake well. This makes a quart of the very best lemon skin whitener and complexion beautifier known. Massage this fragrant, creamy lotion daily into the face, neck, arms and hands and just see how freckles, tan, sallowness, redness and roughness disappear and how smooth, soft and clear the skin becomes. Yes! It is harmless, and the beautiful results will surprise you.

ALLEN'S FOOT-EASE FOR THE TROOPS.

Many war zone hospitals have ordered Allen's Foot-Ease, the antiseptic powder for use among the troops. Shaken into the shoes and sprinkled in the foot-bath, Allen's Foot-Ease gives rest and comfort, takes the friction from the shoe, and prevents the feet getting tired or foot-sore. Drug and Department Stores everywhere sell it, 25c. Don't accept any substitute. Try it to-day.

In line with the campaign for making the South self-sustaining in the matter of food and feed, careful attention should be paid to canning and preserving any surplus of fruits and vegetables. Just now the outlook for fruit is generally good, and there are gardens where gardens never grew before. This means that many families will have more than can be immediately used. Let's call the cans and jars into service and save everything.—The Progressive Farmer.
