

DADDY LONG LEGS, NEW BY PICKFORD FILM.

The daily life of scores of orphans... in an institution, the founder... which obtained his ideas of... at a penitentiary where... made his money through con-... labor, is shown in detail in... 'Daddy Long Legs,' screen ver-... of the famous story by Jean... Webster, in which Mary Pickford... will be seen at the Elks Theatre, Wednesday and Thursday.

This super-feature is the first to be made by Mary Pickford's own Company, after Miss Pickford obtained the screen rights from Klaw and Erlanger to whom she gave her personal check for \$40,000. Miss Pickford has the part of Judy Abbott, the little asylum girl who got her chance to go to college through the generosity of a man who later fell in love with her.

Directed by Marshall Neilan The picture was directed by Marshall Neilan, 'The Mark Twain of the Screen,' who became one of the foremost directors of the day through his ability to put appealing humor into screen action. Miss Pickford is supported in 'Daddy Long Legs' by Mr. Neilan, who has the part of a young college man in love with Judy; by Mahlon Hamilton, who has the part of Jarvis Pendleton, Judy's benefactor; by Milla Davenport, as the tyrannical head matron of the asylum; by Fay Tempert, as Angelica Wyckoff, an ill-mannered little girl reared in luxury; and by one of the most charming groups of child actors ever seen on the screen, as well as half a dozen other adult actors.

The first half of the picture is laid in the John Grier Orphan Asylum. Mr. Neilan has filled it with a surprising succession of humorous and pathetic incidents. The millions of admirers of Miss Pickford will agree when they have seen this picture that the favorite star never had a better or more appealing role than that of the orphan, Judy Abbott, who, as an infant, is picked out of an ash can by a policeman. Given a name from a telephone book by a hard-hearted matron; whipped, starved, and cruelly treated until she reaches the age of twelve, when she begins to spread among the stripe-dressed little mother-wobabies a sunshine which later

Portrays Many Emotions.

As a madcap child whose resilient personality overcomes even the most sordid surroundings; as a girl tassin eagerly the good things for which she so longed in her childhood captivity; and at last as a lover, coquettish and capricious, Miss Pickford's characterization is a masterpiece.

N. O. OFFICER KILLED HAS A BROTHER HERE.

Corporal Charles A. Giblin, 51 years of age, 531 General Pershing street, night corporal at the Second Precinct Police Station, was shot and instantly killed late Sunday night by Will Bryant, a negro longshoreman residing at 1800 S. Rampart street.

The negro himself was killed by Policeman Scherer.—States.

"Officer Giblin was a brother of Dr. Jas. A. Giblin of this City. He served on the New Orleans police force for seventeen years. Dr. Giblin was called to New Orleans and attended the funeral."

Chronic Constipation.

Perhaps you have never thought of it, but this disorder is due to a lack of moisture in the residual matter of the food. If you will drink an abundance of water, eat raw fruits and take lots of outdoor exercise, you may be able eventually to overcome it entirely. In the meantime use the most mild and gentle laxatives. Strong and harsh cathartics take too much water out of the system and make a bad matter worse. Chamberlain's Tablets are easy and pleasant to take, and most agreeable in effect. Give them a trial.

KEEP YOUNG.

People with bad backs and weak kidneys are apt to feel old at sixty. Many old folks say Doan's Kidney Pills help them keep young. Here's a New Iberia case: Jacob E. Martin, retired painter, 119 Frere St., says: 'For several days I couldn't straighten up on account of the sharp pains that would catch me in the small of my back. I could get no relief no matter what I did and lost considerable sleep at night. Mornings, I would feel so lame and tired, I could hardly get out of bed. I heard of the good Doan's Kidney Pills were going for others and got a supply at Taylor's Drug Store. After taking a few boxes, the pain eased up and continued use entirely rid me of this trouble. I only took one box and can say this is a wonderful medicine.' (Statement given May 4, 1919.)

Steadfast Confidence.

On February 11, 1918, Mr. Martin said: 'I am glad to confirm the statement I made for Doan's Kidney Pills in 1914 and I have told other people suffering from kidney trouble of their merits since. I am now free from kidney trouble and considering my advanced age, I think this sure proves good for Doan's Kidney Pills.'

Cataract Cannot Be Cured

THE LATEST OPINION OF THE GREAT EXPERTS OF THE WORLD IS THAT CATARACTS ARE IRREVERSIBLE. THE ONLY REMEDY IS SURGERY. BUT SURGERY IS DANGEROUS AND PAINFUL. IT DOES NOT INVOLVE DESTRUCTION OF WEALTH. IT DOES NOT INVOLVE DESTRUCTION OF REPUTATION. IT DOES NOT INVOLVE DESTRUCTION OF LIFE. IT DOES NOT INVOLVE DESTRUCTION OF HUMANITY. IT DOES NOT INVOLVE DESTRUCTION OF GOD.

THE HUMMING BEE.

An electric prod is being used in De Soto Parish in the dipping of cattle. The method is not new but the simplicity of the contrivance and novelty of it is a big step forward over the anti-davian methods of the stone age. Some pirate cattle owners use clubs to beat the animal into vat and if death should ensue, the dipping vat is then blamed with the loss. The 'Humming Bee' consists of a 5-foot hollow pole in which are encased several batteries connected by wire to the brass tip at the end of the pole. A slight touch of the brass tipped end of the pole to the base of the tail, a simultaneous pressure on the push button sends a minimum current of electricity and 'Old Brindle' takes the jump and goes under without hesitancy. This method is both novel and humane.

To Prevent Belching. Make a regular habit of eating slowly, masticate your food thoroughly, and you may have no further trouble. If you should, take one of Chamberlain's Tablets immediately after supper. HOME. Cherish the home with infinite tenderness. You cannot love it too much, nor give it too much time and thought. Remember life has nothing better to offer you; it is the climax and crown of God's gift. Make every day of life in it rich and sweet. It will not last long. See to it that you plant no seeds of bitter memory; that there will be no neglect and harshness to haunt you in after years. Your little ones will die and go hence with your words and spirits planted in their eternal nature. Sons and daughters will go from you into the great world to live as you have taught them, to be strong or weak according to the spirit you have engrafted upon them. How you will yearn for them whether living or dead. How sweet or how bitter will be the days when they prattled about you in the home from which they have gone forever! So live with them and train them now that
