LOCAL NEWS.

—The Kahn Auto Service now plying regularly between New Iberia and Abbeville will next week commence a regular run to Loreauville and St. Martinville. The service will not only be a convenience to the people living along the routes, but a trade getter for the merchants in New Iberia. The cars now operated every two hours to Delcambre and Abbeville bring in many shoppers and ultimately will mean a great deal to our business houses. New Iberia being the starting point for the different bus lines to Jeanerette, Abbeville, St. Martinville and Loreauville is quite an advertisement for the community.

—Last Sunday the St. Peter's College Base Ball Club journeyed to Lafayette to play a match game with a picked team out of that town which resulted in a score in our favor of 12 to 5. St. Peter's Club is made up of rattling good ball tossers.

Purdie promises to be one of the biggest institutions of its kind in the United States as the field is unlimited for the sale of tractors to the farmers throughout the United States, as well as in foreign countries. At Dallas alone their factory and warehouses cover something like nineteen acres. Col. Purdie is making his headquarters at the office of Judge Nucholls.
