Miss Louise Remy arrived here last week from Denver, Colorado to visit friends.

IN THE LIME LIGHT

of experience, it seems strange that any one should question the economy of using high-class building materials. But if people are still tempted to use the poor kind, don't you be one of them. Use those we sell and your satisfaction will continue to grow as time shows their superiority.

Mr. Elliott of Houston spent the week-end here with relatives.

Miss Jessie Fisher left Wednesday for a visit to friends in Houston.

Mrs. Robbie Moore and children Sara and Robbie left last Sunday for a visit to New York.

They will first land in Cuba, where they will spend several days and thence continue their water journey to Panama, Jamaica, Costa Rica, Porto Rica and very probably Haiti. They expect to be absent for about forty days.

LOCAL NEWS.

The Enterprise was the recipient this week from Miss Josie Anna Decourt of an invitation to be present at the graduation exercises of the Alhambra City High School at Alhambra, California. Miss Decourt is listed among the several graduates. She is a daughter of our former fellow-citizen, Mr. Albert E. Decourt.

Almost every day there are one or two more sales of property recorded in the Clerk's office which bespeaks much for New Iberia real estate. The latest to change hands was the home of Mr. E. Taul on Iberia Street. About a year ago the Iberia Building Association had in its possession as many as twelve dwellings which they were offering to the public. Now, with the exception of their business site on Main Street upon which they will build quite an ornamental structure they have disposed of everything recorded in the name of the Association. Aside from that the Association has lent assistance to a number of our citizens who were in the market for a home and prospects are exceedingly bright for a number of loans in the near future.

Schwing & Carstens are advertising a twenty per cent. reduction sale of their silks, and other fine ladies wearing apparel. See

Mr. Louis Joseph Keller who enlisted on June 3d through the Naval Recruiting officers in New Iberia passed examination in the second class and is now at Algiers awaiting vessel to be taken to sea. His examination was so satisfactory that it saved him the annoyance of spending some time in a training station.

Notices have been issued by Mr. E. G. Landry, the recorder of Iberia Council No. 1208, K. of C. announcing memorial services on Sunday, June 20th to their departed members, the late Felix Patout, Willie Burke, L. R. Tilly and Joe Terrell. The brothers will meet at the Lodge room promptly at 7:15 A. M. and march to the church in a body. State officers and other prominent dignitaries will be present.

As we go to press the St. Peter's College closing exercises is being conducted in the Elks Theatre in the presence of a large number of patrons and citizens of this community. The address of the evening is being delivered by His Lordship, Right Rev. Jules B. Jeanmard, Bishop of Lafayette. After the address the distribution of premiums will follow and then some of the bright pupils will render a two-act comedy sketch entitled "The Great Elixir." Want of space precludes us from reproducing the entire program. We will endeavor to publish the names of the pupils who were favored with prizes in our next number.

Rub-My-Tism is a powerful antiseptic; it kills the poison caused from infected cuts, cures old sores, tetter, etc.

Iberia Post No. 3 of The American Legion, made up of local veterans of the World War, will give a benefit entertainment at the Elks Theatre, Friday night, July 2nd. The proceeds of this entertainment will go towards paying expenses of the State Convention of the Legion, which will be held in our City about August 20-22, this year. Some 100 or more delegates are expected and it goes without saying that our boys will entertain them royally during those three days. Besides moving pictures, there will be several musical numbers on the program. The services of the New Iberia Orchestra have been offered for the occasion and we anticipate hearing some good music. The Iberia boys take this means of inviting the people of New Iberia to come out that night and help them raise funds to defray expenses of the convention.

During the final examination at the close of the Grand Coteau College this week, Master Wiltz Emmer who was awarded his diploma as a graduate of that educational institution received the highest mark of any of the pupils. At every session this ambitious young man always attained one hundred per cent in his studies.

Use good stationery—it is a mark of good taste. It is just as necessary to use stylish stationery as it is to wear stylish clothes. Your letters are judged just as much by the paper you use as by the words you write.

ESTORGE DRUG COMPANY
PHONE 10 NEW IBERIA, LA.

Mr. Joel Pollard Sealy, formerly of New Iberia and who for the past ten years has been making Shreveport his home, on last Wednesday June 16th was united in wedlock to Miss Gladys Herbert Cannon, a charming young lady of Terrell, Texas. The nuptials were performed at the home of the bride in the presence of a large circle of her intimate friends. Mr. and Mrs. Sealy will reside at Shreveport. The Enterprise extends its felicitations.

CARD OF THANKS.
June 18th, 1920.
We desire, through the Enterprise to extend to our kind and thoughtful friends and neighbors our heartfelt thanks for assistance given to us and for the many expressions of sympathy extended at the death of my beloved husband, James Thompson. May the Heavenly Father bless and keep every one of you.
Mrs. H. M. Thompson.

Almost every day now Messrs. Ritchie Bros., the paving contractors on our Main Street record more shipments of vitrified brick. From what we can ascertain it will yet be about ten days before they will proceed with the laying of the brick as they would rather await sufficient of the material with which to finish two more blocks before getting their crew together. Most of the skilled brick layers on this work are imported here and for that reason it is thought better not to make a start until they feel positively certain the work can continue until every brick is in its place. It is hoped that when they do get started weather conditions will permit them to stay right on the job until the last. There are so many things to contend with in doing road work one never know what to look forward too in matters of this kind.
FOR SALE—A Detroit stove and small heater. For particulars phone 187.
