**Who's Who in Big Orphanage Crusade**

The men who are directing the great crusade in the state of Louisiana are feeling very optimistic as the result of the response of so many and various sections of the state outside of Shreveport, to the appeal of the two hundred homeless orphans who have been denied the admission to the Ruston Orphanage because of the fact that the Institution is already crowded.

champions of the cause of the homeless kiddies of Louisiana.

GEORGE K. NICKERSON, Campaign Director.

"Under the Arch of Protection" is the motto of the orphanage at Ruston. Clean, healthful housing, kind, careful attention, green lawns, stately trees beautiful flowers, fresh vegetables, farm animals—what child does not delight in such surroundings? Will you slam the door in the face of a hungry child? The illiterate and underfed child makes the degenerate and criminal man.
