

Indigestion

DO YOU KNOW that indigestion can be cured, permanently cured, so that you can eat any kind of food that you crave? It has been done not only once, but in almost every case when Chamberlain's Tablets are used. An instance: Mr. J. Pominville, Stillwater, Minn., who had spent over \$2,000.00 for medicine and treatment was permanently cured by these tablets.

Chamberlain's Tablets

A TIP FOR "TAX-EATERS."

Some day, when the city is dreadfully hard up and needs a billion dollars to start a marvellous establishment for poor working girls, some wise statesman of the council, with a bone in his head like bridge girder, will stand upon his hind legs and urge the creation of a sidewalk occupational tax for pedestrians. The motorists are paying for their passage over the paved highways of the community. The merchants are paying licenses and rents for the frontage they occupy but the man on foot is taxed nothing for the costly and attractive sidewalks on which he perambulates. There is an ever-changing panorama before him. The shops furnish him a continuous exposition of their wares and yet he isn't paying a blooming cent for his daily promenade. It costs a lot of money to lay a tile or concrete walk. To keep it clean and in condition requires further outlay. But the millions who pass along the walk and enjoy the advantages are not paying a penny for this priceless privilege. This seems a howling shame, especially from the standpoint of the taxgatherer. He has thought about taxing almost everybody in the world—except the pedestrian, and there are so many of him! Just think of the revenue the city would have if the city would have if the millions who daily congest our thoroughfares had to cough up a bone every month for their right of occupation. Instead of being stony broke and unable to pay its policemen the town might be loaning money to the Standard Oil Company.—Los Angeles Times.

John Parker, 12-year-old son of a widow, who has three other children to support, confident that some Baptist would make it possible for him to receive an education, walked 15 miles to Crosby Academy, Crosby, Tenn. herefooted, without a coat and with only one extra shirt which he carried on his arm. He told Principal Marshall he had prayed over the matter of an education and that the Lord had told him to go to the academy and trust Him to make it possible for him to stay. And he is staying.

TO STUDY CAPRICORNUS, THE GOAT.

Mr. Dwiggs gave evidence one evening of a desire to accumulate further wisdom. "Nobody," said he to his wife, "can learn all there is that's worth knowing in a lifetime, and a man ought never to assume that his education is finished. I'm going to keep right ahead with mine. I'm going to study astronomy." Mrs. Dwiggs looked at him sharply, and then in a cold, hard tone exclaimed: "See here, Daniel, you'll have to think up some better excuse than that for staying out at night!"—Wayside Tales.

Skin Diseases Due To Waste Products In The Blood

For Genuine Relief Your Blood Must Be Purified.

For real, downright, harrassing discomfort, very few disorders can approach so-called skin diseases, such as eczema, tetter, boils, eruptions, scaly irritations and similar skin troubles, notwithstanding the lavish use of salves, lotions, washes and other treatments applied externally to the irritated parts. To correct the basic trouble—waste products—the blood must be purified. Don't clog your blood. Just clean it out. Nature will do the rest. Pure, rich, red blood nourishes the body and fights off disease. S. S. S., the standard blood purifier and system builder, is the ideal remedy for skin eruptions. The effects of S. S. S. is to rid the system of the waste products which are causing the trouble. For over 50 years S. S. S. has proven to be of unusual merit. It is not sold or recommended for venereal diseases. Begin taking S. S. S. today and write for 56 page illustrated booklet, "Facts About the Blood"—free. Personal medical advice, without charge, may also be had by sending a complete description of your case. Address Chief Medical Director, Swift Specific Co., 743 S. S. S. Laboratory, Atlanta, Ga. THE "OLD RELIABLE" THEDFORD'S BLACK-DRAUGHT

White Hired Alabama Lady Says She Has Seen Medicine Come and Go But The "Old Reliable" Thedford's Black-Draught Came and Stayed.

Dallas, Ark.—In recommending Thedford's Black-Draught to her friends and neighbors here, Mrs. T. F. Parks, a well-known Jackson County lady, said: "I am getting up in years; my head is pretty white. I have seen medicines and remedies come and go but the old reliable came and stayed. I am taking of Black-Draught, a first medicine we have used for years—see that can be depended upon and one that will do the work."

"Black-Draught will relieve indigestion and constipation without effort, and I know for I tried it. It is the best thing I have ever found for the old, uncomfortable

feeling after meals. Sour stomach and sick headaches can be relieved by taking Black-Draught. It aids digestion, also cleans the liver in throwing off impurities. I am glad to recommend Black-Draught, and do, to my friends and neighbors."

Thedford's Black-Draught is a standard household remedy with a record of over seventy years of successful use. Every one occasionally needs something to help cleanse the system of impurities. Try Black-Draught. Sold every Thedford's, the genuine. At all druggists.
