LOCAL NEWS

—There was held on Monday, December 5th at the Masonic Temple in New Iberia, a regular communication. During which time Aurora Lodge had its annual election of officers. The officers elect for the incoming year is as follows: D. C. Bonnette, W. M.; C. R. Sonnemann, S. W.; Dr. H. H. Collins, J. W.; A. B. Murray, Secretary; G. S. Rand, Treasurer; J. U. Jagot, Tyler; F. F. Murray, S. D.; J. A. Buquor, I. D.; A. Koch, Chaplain, Leopold Kling, M. C.; Abe Hirsch, Organist.

—Mr. Phil Broughton was the loser of some five hundred bales of rice straw which was destroyed by fire last Tuesday. Mr. Broughton is under the impression the straw was intentionally set afire by some one. This is the second time he has had a similar experience with his baled hay. We understand several days ago that another large batch of straw which was about to be boated to New Iberia by Capt. Doty from near Jeanerette was also consumed by flames.

—On Thursday, Dec. 1st at the Presbyterian Manse, the Pastor, Rev. M. R. Paradis, united in marriage, Miss Lillie Winters, a daughter of Mr. and Mrs. August Winters and Mr. August A. Vogt of Lake Charles. The bride was prettily gowned in a handsome brown cloth traveling suit. Only her immediate relatives witnessed the ceremony. The young couple left on train No. 5 for Alexandria, La., where they intend spending a few days and then return to Lake Charles where they expect to make their home.

—At the regular meeting of the New Iberia Chamber of Commerce last Tuesday night, a gentleman, representing the Redpath Chautauqua Association, which is one of the best in the traveling circuit to-day expressed a desire to close for an attraction here next year in case the Ellison-White Co. fails to meet the requirements of the subscribers, which was that they come at some time other than the Lenten season. The officials of the Chamber of Commerce are awaiting a decisive reply and if the Ellison-White Co. cannot fill the engagement, as per contract, then it will call in the subscribers to tickets to see what they intend to do in the premises. The people of New Iberia are anxious for another Chautauqua and we have every reason to feel that they will readily consent and again subscribe for the same number of tickets they signed for previously. The fact of the matter is the previous guarantee exacted was \$1750.00, as against only \$1250.00 for a five-day performance. The reputation of the Redpath corporation is equally as good as the other and no doubt a contract will be made with them as soon as it is definitely ascertained that the Ellison-White will not make their appearance here.

Since writing the above, the New Iberia Chamber of Commerce has wired consultation with the Ellison-White people and in all probability another contract will be made in a few days with the Redpath.

The public is cordially invited. Refreshments will be sold and a small admission fee of 25c charged at the door.

—The Maximilian Oil Co. has again resumed operations on the Sumrall tract near the oil field proper. The driller Mr. H. L. Pilgrim has again taken charge of the task and the Company will penetrate the bowels of the earth several hundred feet more at that point and if they fail to bring up the fluid remove the derrick and machinery to a spot nearer the Bernard well. The Company has recently disposed of sufficient stock to carry on active operations through the influence of Mr. Max Zimmerman, the manager of the Boldt Paper Mills. This gentleman has in every way identified himself with New Iberia's interests and we hope will be successful with this undertaking.

—Parish Assessor Cesare J. LaBauve left on Wednesday for Baton Rouge to spend a couple of days submitting his tax roll for the Parish of Iberia. As soon as they are accepted by the State Board of Affairs then Sheriff Landry will be in position to commence collecting the 1921 taxes as usual this time of the year.

—How many men in New Iberia have realized that there is on the market to-day for sale by Schwine & Carstens a shoe that is the best that money can buy at the price. The Edmond Foot Fitter, the biggest selling single style shoe in the world is now being offered by the above firm at a price that seems ridiculous as compared with what others are asking for shoes not as good. Why pay \$8.00, \$10.00 or more for your shoes when you can try out a pair of these shoes at \$6.75 and get the best. There's a reason why they are selling them so cheap. Call on them and learn.—Adv.

—The services in the Presbyterian church will be held at 11 o'clock A. M. to-morrow. All are cordially invited to attend.
