

Are You Pale?

Are your cheeks hollow and your lips white?

Is your appetite poor and your digestion weak? Is your flesh soft and have you lost in weight?

These are symptoms of anemia or poor blood. They are just as frequent in the summer as in the winter. And you can be cured at one time just as well as another.

Scott's Emulsion

of cod liver oil with hypophosphites will certainly help you. Almost everyone can take it, and it will not disturb the weakest stomach.

It changes the light color of poor blood to a healthy and rich red. It nourishes the brain; gives power to the nerves; it brings back your old weight and strengthens all Druggists, 50c. and \$1.
