

GOOD PRINTING ..IS OUR SPECIALTY..

Our Plant Is Modern IN EVERY RESPECT

Our presses are new and have all of the latest improvements. We have a large assortment of the latest type faces and we are constantly adding new ones. Our rules, cuts, borders, ornaments, etc., cover a wide range. We also have a paper cutter, gasoline engine, punch, stapling and numbering machines, etc., all of which enable us to produce good printing promptly. Every care is given the minutest detail of our work so that we may deliver the completed product in first-class condition. Our workmen are typographical artists and know how to print things with type and ink on paper so as to produce the best effect. Give us your printing and we'll make a pleased patron of you.
