Couldn't Walk!

"I used to be troubled with a weakness peculiar to women," writes Mrs. Anna Jones, of Kenny, Ill. "For nearly a year, I could not walk, without holding my sides. I tried several different doctors, but I grew worse. Finally, our druggist advised Cardui for my complaint. I was so thin, my weight was 115. Now, I weigh 163, and I am never sick. I ride horseback as good as ever. I am in fine health at 52 years."

We have thousands of such letters, and more are arriving daily. Such earnest testimony from those who have tried it, surely proves the great value of this vegetable, tonic medicine, for women.

Cardui relieves women's sufferings, and builds weak women up to health and strength. If you are a woman, give it a trial. It should help you, for it has helped a million others. It is made from pure, harmless, herb ingredients, which act promptly and surely on the womanly organs. It is a good tonic. Try it! Your druggist sells it.

PARISH SCHOOLS RALLY.

The several high schools of East Feliciana met Saturday in rally day, in the Clinton high school, where the primary, intermediate and high school classes had a spelling bee. At 11 o'clock they adjourned to the Silliman College auditorium, where they had declamation and song service. They adjourned at noon to meet at the fair grounds, where they were to have running, jumping, basket ball and pole vaulting exercises. Rain had fallen in the early morning, but still a large number of ladies and pupils came into town to participate in the exercises, some coming twenty miles or more over the very muddy and almost impassable roads. At the a hard rain came up, but a number of the teachers and pupils participatfinally abandon the sport until late in the evening.
