## WINNFIELD-BIENVILLE BALL GAMES

A Series of Three Games Played Here last Friday and Saturday in which Winnfield Won all. This Victory Makes our Team Eligible for the Cup at Baton Rouge Next Week.

Our boys have again demonstrated that they have no superiors in this State in the base ball line. Last Friday and Saturday our team played three games winning with the scores 11-5, 7-2 and 8-3. "Doc" Barnes pitched the first game and fanned man after man, keeping them completely at his mercy. The score was 10 to 2 until the last half of the eighth when Bienville had a batting rally and made three points.

But the most laughable as well as exciting feature of the whole game was when "Shorty" Huffman got into a tight fit between 2nd and 3rd. He was kept busy keeping out of the way of the ball. After jumping back and forth many times he made a line buck for third base and by good fortune arrived there safe.

### Memorial Day.

On Sunday, May 8th, the annual Memorial Services will be held at Old Sanders Church, four miles from Calvin. Rev. J. D. Harper of Winnfield will preach and dinner will be served on the grounds. Everybody is invited to come and will be made welcome. On Saturday morning before the services those interested in the graveyard and who have friends and relatives buried there are requested to come and help in a general cleaning up and decorating the graves for the services on Sunday.

### Educational Rally at Dodson.

Through the columns of your paper we wish to extend an invitation to the public to attend our Agricultural Educational Rally to be held here Saturday, May 7, 1910.

The Dodson Agricultural School is located here, but it is a Parish School, and we invite the people of Winnfield and other parts of the parish to come and be with us on this occasion and see the work that we are doing.

We will have with us State Superintendent of Education T. H. Harris, and Prof. V. L. Roy, Superintendent of the Boys' Corn Clubs, together with other prominent men. A basket dinner—free for all—ball game and other entertainments will be features of the day. A cordial invitation is extended to everybody.

Respectfully,

W. W. BENNETT,  
B. H. TALBOT,  
J. H. PANKEY,  
J. T. PAYNE,  
Committee.

Good results always follow the use of Foley's Kidney Pills. They give prompt relief in all cases of kidney and bladder disorders, are healing, strengthening and antiseptic. Try them. For sale by all druggists.

In the two other games Charlie Smith and "Bill" Cupp pitched. All three pitchers made an excellent showing, and if they make as good a showing at Baton Rouge, and the rest of the team support them as well as they have the cup is ours.

The baseball suits have come and the team goes parading around in fine style. They are white with the Winnfield High School monogram on them.

On Thursday our boys leave for Baton Rouge. We will be represented in almost every contest that the boys can enter, and everybody is going with the determination to do or die. We will leave on the L. & A., for Alexandria and take the Valley from there. We will have more to say about the trip next week.

### Going Back Home.

On Monday afternoon Geo. P. Long and Dr. S. M. Smith of Tunica left over the Rock Island for the reunion at Mobile. After attending the gathering of the gray host, they will visit their old homes in Mississippi, taking in the scenes of their childhood and renewing old friendships. They are going prepared to take views of the old homestead and the various places where they spent their earlier years. We expect a report from them on their return.

### Junior League Social.

On Wednesday evening the members of the Junior League and their guests spent a delightful hour at the Comrade Hall. The social was well attended and thoroughly enjoyed in gay pastimes that were enthusiastically engaged in by the young people.

When tired of the games, cakes and cream were served by the winsome ladies and gallant youths to the following participants: Rev. and Mrs. Harper, Mrs. M. Ferrand, W. L. Smylie, Misses Pauline and Audie Williams, Lease Bailey, Estelle Tannehill, Celeste Brian, Lorena Walker, and Laura Wasson; Messrs. Jesse Corley, Everett Pick, Aubrey Orr, Huey and Bryant Long, Charlie Kelly, Alvin Hearn, Harlie Bozeman Harris Cross and Roy Wright. The young people say the evening was a perfect one.

### A Bottle of Beans.

The bean guessing contest at the firemen's benefit Wednesday proved to be an interesting and lively affair. Out of something over 400 guesses, only a few were close to the correct amount. After counting it was found that the bottle contained 8793 beans. Mr. C. O. Barr was found to be the winner, his guess being 8794, missing the correct number by only one bean.

## YOUR SAVINGS

The earning period of a man's life is his season of plenty—his Harvest Time. It is then, if ever, that he must lay by stores for Life's Winter. You—what are YOU doing with the proceeds of your harvest? Do you waste it all, or are you wisely saving a part?

### Notes From Trout.

Our school days have been very busy days, but now our school has closed its 8-month term and we can find a little time to send you a few items.

We know your Winnfield readers have heard nothing of what has been doing at Trout the past few weeks, so, if you will pardon us, we will refer to the fact that the citizens of Trout entertained the Parish Teachers Association on the 8th and 9th of this month. There were present at each day's session thirty-one teachers, besides many other visitors.

On Friday night, the 8th, the Trout school pupils rendered a splendid musical program, which reflected much credit on their teacher, Mrs. Poland. Mr. Baer, our Sunday school superintendent, made a splendid address on the subject of Education, which was very much appreciated.

Parish Superintendent Carter next addressed the audience and paid the town and school of Trout some nice compliments, also thanking the people for entertaining the teachers so royally and free of charge.

Our school closing was celebrated on the night of the 22d, so we only had two weeks to prepare for another entertainment, which was said to be one of the most perfect of the kind ever witnessed.

Our principal, Mr. T. J. Kendrick, and his able assistants, with Mrs. Poland to arrange the musical features, knew exactly how to train the children for a splendid program. There was present an audience of about 500 people who were agreeably surprised at the success of the occasion.

The welcome address was made by Prof. Kendrick. The pantomimes, drills and motion songs were simply fine, as well as the piano duets, trios and solos, and last, but not least, was the audience pleased with Bobbie Shaftoe, the vocal trio by Cuba Thomas, Irma Butler and Sadie Burdick, which was considered about the best number on the program.

Mr. and Mrs. J. W. Poland left yesterday for Shreveport, where they carry their little son Bernard to specialists for treatment.

Mr. and Mrs. O. V. Richardson left yesterday for their future home in Madeira, Mexico.

Miss Dottie Tucker, who has been making her home with her sister, Mrs. N. L. Kiser, for some time and attending school here, has returned to her home at Cusseta, Texas.

Sim Butler son of Dr. T. M. Butler, is visiting friends and relatives in Olla this week. F. M. T.

### The Junior League.

A most delightful hour was spent by the young people and their friends last Sunday afternoon. Visitors are cordially invited to next Sunday's services when the following program will be rendered:

Opening Song. Prayer.  
Roll Call, Scripture response.  
Responsive reading, XI Psalm.  
"Two Sabbath Incidents," paper by Everett Fick.  
Vocal Duet, Estelle Tannehill and Celeste Brian  
Select Reading, Bryant Long.  
Closing Song. Benediction.

### Card of Thanks.

The Fire Department extends their sincere thanks to the people who so liberally patronized the Firemen's Benefit, given at DREWETT'S Confectionary Wednesday, April 27th. We especially thank Mr. and Mrs. T. J. DREWETT and those kind ladies who contributed so largely toward making this occasion so pleasant. We realize that the success of the affair was due solely to their generous efforts.

Again thanking you, we are,  
Yours for better service,  
WINNFIELD FIRE CO.  
T. N. Crawford, Secretary. J. R. Gibbs, Chief.

### Mrs. J. M. Mercer.

Died: In Winnfield, La., Monday morning, April 18, 1910, about eleven o'clock, Mrs. J. M. Mercer, aged 39 years, 1 month and 15 days.

The deceased had been sick for some time. She was an estimable Christian woman, a devoted wife, a loving mother and a true friend. She leaves a husband, two daughters and one son. She was a member of the Baptist Church and had lived a consistent Christian life from her 14th year.

The bereaved family have the heartfelt sympathy of our people, who mourn with them as they sit in the shadow of their great bereavement surrounded by the fragments of their shattered hopes. A FRIEND.

### One Conductor who was Cured.

Mr. Wilford Adams is his name, and he writes about it: "Some time ago I was confined to my bed with chronic rheumatism. I used two bottles of Foley's Kidney Remedy with good effect, and the third bottle put me on my feet and I resumed work as conductor on the Lexington, Ky., Street Railway. It gave me more relief than any medicine I had ever used, and it will do all you claim in cases of rheumatism." Foley's Kidney Remedy cures rheumatism by eliminating the uric acid from the blood. ## MRS. CYRUS MCGINTY ENTERTAINS

Delightfully at Her Pretty Home on Front Street the Exclusive Social Twenty Club of Winnfield Matrons in Honor of Her Guests from Alexandria, Mesdames Hawthorne and White.

The members of the Social Twenty Club were very fortunate in having two lovely entertainments in one week. The second was a delightful affair at the residence of Mrs. Cyrus McGinty on Friday afternoon when she entertained the Club and a few friends in honor of Mrs. Hawthorne and Mrs. White of Alexandria.

The rooms were beautifully decorated with ferns and cut-flowers, and the odor of roses permeated the rooms like a breath of Spring. There were six tables at forty-two; the game was very spirited, and much enjoyed by all. Mrs. Neill won the Club prize, a hand-made centerpiece, and Mrs. John White won the guest's prize, both the handwork of the hostess.

Mrs. McGinty is a famous cake-maker, and is much admired by her

friends for her mastery of this fine art. Her luncheon fully sustained her reputation as a fine cook. It was delicious and faultlessly served.

The guests remained for a time in order to meet Mrs. White and Mrs. Hawthorne of Alexandria, Mrs. McGinty's guests for a few days.

The guests of the Club on this occasion, besides the charming honorees, were the Misses Bernstein and Milburn, Miss Clara McGinty, and Mesdames John White, W. F. Cooper, I. E. Siess, T. R. Van Cleave, T. A. Doyle, H. P. Gamble and Langon of Jackson, Miss.

The names of Miss Bernstein, Mrs. Bernstein and Mrs. Drewett were inadvertently omitted in the list of guests at Mrs. Moore's party last week.

### Walsh--Tannehill.

Rufus S. Walsh and Miss Bessie Tannehill, both of this city, were married last Monday morning at the home of the bride's sister, Mrs. Chas. Pace, Rev. H. C. Duncan of Christ's Episcopal Church of Alexandria, performing the ceremony. Immediately after the ceremony the young happy couple left for New Orleans, from which place Tuesday they sailed for Havana, Cuba, on a bridal tour and will be home to their friends in Winnfield about May 7.

Mr. Walsh is one of Winnfield's popular young business men, being a member of and manager of the firm of the Winnfield Furniture Company.

The bride is a winsome and accomplished young lady and is the daughter of Hon. R. L. Tannehill, an old and prominent citizen of Winn Parish.

### King--Box.

Mr. Wm. C. King and Miss Minnie Box were married last Sunday afternoon at the home of Mr. J. R. Gorham in South Winnfield; Justice A. A. Moss officiating. A number of relatives and friends were present to wish them a pleasant voyage on the matrimonial sea.

### Christian Revival Continues.

Evangelist W. L. Morrow has been in the city three weeks, preaching at the court house every night and usually about three times on Sundays. The preacher appears to have remarkable powers of endurance. He speaks with much force, and is rather stirring in the style of his delivery. The preacher relies upon the prayerful presentation of "the gospel as the power of God unto salvation". Several have connected themselves with the church and there will be baptising Sunday.

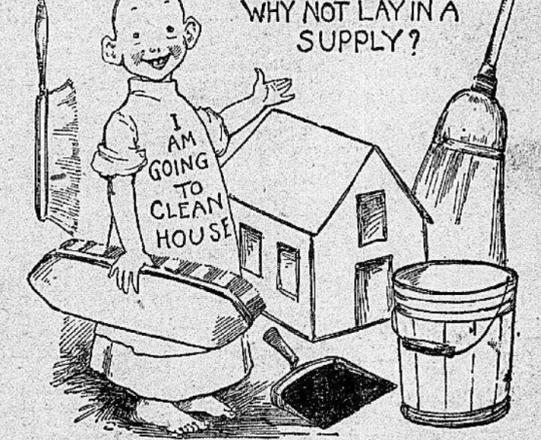

There seems to be a good many persons who have been interested in the preaching of Mr. Morrow, and all claim that he is very zealous, earnest, eloquent, entertaining. Our people should avail themselves of the opportunity to give such a representative gentleman a good hearing. The Christian Church is now a fixture in Winnfield and we trust Mr. Morrow will do our city very much good, and that all Christians should be well-wishers.
