

ALEXANDRIA'S SCALP IS ANNEXED

The High School Base Ball Team Keeps Up its Winning Stroke, with the Alexandria High School Team its Latest Victim---New Orleans Comes Next for Five Games.

The ability of our High School boys was again demonstrated last Saturday, when they administered a double defeat to the visitors from Alexandria.

In the first game whitewash was applied to the tune of 11 to 0. The game was loosely contested all the way thru, the inability of the visitors to field made it possible for our boys to score at will, and when it came to hitting, "Big Un" Smith held them at his mercy from beginning to end. The features of the game was the pitching of Chas. Smith, holding the visitors down to three trifling bingles and striking out twelve batters, and a sensational running catch by "Strings" Cupp.

The second game only going six innings, resulted in a victory of 11 to 2, being featureless and uninteresting. Our boys being able at any time to rap the opposing pitcher's shoots all over the lot.

Manager Durham has arranged to play a series of five games, with the team of the Boys' High School of New Orleans, the present State champions, to be played here on the 25, 26, 27 and 28 of this month. This will be the best of this season, and should prove to be one of the most interesting series of games ever played between High School teams in the State.

Sunday Base Ball.

At the meeting of the City Council last Friday night an ordinance was passed prohibiting ball playing on Sunday in the corporation limits. On Sunday the Winnfield club played a game with the Rochelle club. The manager was arrested and on Monday fined for violating the ordinance. Bond was given and the case appealed to the Supreme Court. It was understood that this was a test case to try the validity of the ordinance.

Cholera Morbus Cured.

This is one of the most severe and dangerous diseases. In almost every neighborhood someone has died with it. Mrs. W. E. Smith of La Marque, Texas, writes: "My little girl was taken with cholera morbus. The attack was so severe that I feared she would die. A druggist advised me to give her Chamberlain's Colic, Cholera and Diarrhoea Remedy, which I did and three doses of it relieved her." For sale by all Druggists.

Birthday Party.

On Wednesday afternoon little Miss Ora May Elliott entertained a number of her little friends with a lawn party at the pretty home of her parents on Jones street. A peanut hunt was the feature of the entertainment in which Miss Velva Teegarden and Leo Jones were the successful contestants. The dainty little hostess served delicious refreshments to the following guests: Pauline Watts, Louise Morgan, Chester and Helen Campbell, Leo and Everett Jones, Willie Mae Wallace, Mildred Whitley, Velva Teegarden, Onie Holmes, Teresa Smith, Clarence Durham, Clara Gilcrease, Myrtle Prnett, Arthur DeLoach, Arthur Nell Gilcrease, Jewel McInty, Hazel Nelson, Willie May Mashaw, Olive Ann Kidd and Henry Elliott. Miss Lucile Gibson assisted the little hostess in making the afternoon pleasant for her guests.

Biliousness and Constipation.

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally. Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale by all druggists.

Gay Picnickers.

Tuesday morning a young load of young people left for a day's outing on Dugdenonia at Drewett's mill. The outing was given in honor of Miss Mary Hale, a pretty and piquant young lady of Shreveport, who was visiting the family of Mr. and Mrs. J. T. Wood.

The day was ideal and the party in happy spirits. Fishing tackle, target rifles and kodaks were taken along and used to make the outing pleasant. A generous box of eatables, a freezer of cream and the fruit of a large patch of berries made easy going for the hungry—and they were all hungry.

The young folks' pictures were taken in all kinds of groups, a nice string of fish were caught, with Miss Bird Ingram easily the best fisherman in the crowd.

The courtesy and assistance of Messrs. Drewett and Speigel at the mill added greatly to the success of the outing.

The party was composed of Mrs. J. T. Wood as chaperon, Misses Mary Hale, Mary Wood, Bird Ingram, Beulah Wilson, Mary Hooper, Messrs. Walker, Randle, Quick, Durham, Bonnette, Woodard and the writer. A more perfect day of enjoyment has never been spent by the party, and the honoree, Miss Hale, was delighted.

Saves an Iowa Man's Life.

The very grave seemed to yawn before Robert Madson, of West Burlington, Iowa, when, after seven weeks in the hospital, four of the best physicians gave him up. Then was shown the marvelous curative power of Electric Bitters. For, after eight months of frightful suffering from liver trouble and yellow jaundice, getting no help from other remedies or doctors, five bottles of this matchless medicine completely cured him. His positively guaranteed Stomach, Liver or Kidney troubles and never disappoints. Only 50c. at all Druggists.

Miss Wood Entertains.

Miss Wood entertained a few of her friends Monday night in honor of her cousin, Miss Hale of Shreveport. Progressive 42 was the feature of the evening. L. R. Neill made the highest score, therefore was awarded a box of candy. Mrs. Neill assisted Mrs. Wood in serving ice cream and cake to the guests. Those in attendance were Misses Wilson, Ingram, Hiram, Hooper and Messrs. Thomas, Finch, Quick, Randle, Walker, Woodard, Bonnette and Sowers. All report a pleasant evening.

Miss Gibson Entertains.

Miss Lucile Gibson entertained quite a number of her young friends in one of the most enjoyable social functions afforded the younger society set in a long while, at the home of C. H. Elliott, last Saturday evening in honor of her sister, Miss Pearl Gibson of Natchitoches.

Upon entering the guests were served with luscious fruit punch, and then being ushered into the parlor which was very beautifully decorated, where they enjoyed some of the latest popular songs and music, rendered by the accomplished hostess and her beautiful sister Miss Pearl.

Quite a unique way of choosing couples for refreshments was employed, during the course of enjoyment of parlor games and music, each boy was given a small bundle of toothpicks, and each girl was numbered, then the numbers were taken in rotation and auctioned off to the highest bidder, toothpicks being the medium of exchange. After the couples were chosen in this manner, chairs were carried out on the lawn where they were seated and served with delicious cream and cake, while the merry peals of song and laughter rang out through the clear night air.

When time came for them to go all expressed themselves as having never enjoyed a happier evening and declared Miss Gibson an ideal hostess. Those participating were: Misses Beatrice Pace, Blanche Jones, Odette Barnes, Audie Williams, Celeste Brian, Ethel Burnett, May Crawford, Effie Shaw, Florence Peters and Pearl Gibson. Messrs. Roy Wright, Harris Cross, H. Gardner, Frank Emerson, Averett Watts, Clabe Terral, Lewis Geagan, Herbert Robinson, Jesse Corley and Harry Davis.

The bride is a neat and charming little girl.

They expect to soon leave for Natchitoches, where Mr. Mathews will enter the summer Normal.

Commander Julius A. Pratt, Post No. 143 Dept. Ill., G. A. R.

Isaac Cook, Commander of above Post, Kewanee, Ill., writes: "For a long time I was bothered with backache and pains across my kidneys. About two months ago I started taking Foley Kidney Pills and soon saw they were doing just as claimed. I kept on taking them and now I am free from backache, and the painful bladder misery is all gone. I like Foley Kidney Pills so well that I have told many of my friends and comrades about them and shall recommend them at every opportunity." Sold by all druggists.

Winnfield Vs. Rochelle.

The Winnfield Base Ball Club won the opening game of the season from Rochelle, at West End Park last Sunday, by a score of 5 to 0.

"School Boy" Barnes was on the mound for the locals, and proved to be a puzzle for the slugging Rochelleans, shutting them out without a hit and making seven fan the breeze, while his teammates found the opposing pitcher for seven hits and five runs.

Whooping Cough.

This is a more dangerous disease than is generally presumed. It will be a surprise to many to learn that more deaths result from scarlet fever. Pneumonia often results from it. Chamberlain's Cough Remedy has been used in many epidemics of whooping cough, and always with the best results. Delbert McKeig of Harlan, Iowa, says of it: "My boy took whooping cough when nine months old. He had it in the winter. I got a bottle of Chamberlain's Cough Remedy which proved good. I cannot recommend it to highly." For sale by all Druggists.

Chamberlain's Liniment.

This is a new preparation and a good one. It is especially valuable as a cure for chronic and muscular rheumatism, and for the relief from pain which it affords in acute inflammatory rheumatism. Those who have used it have invariably spoken of it in the highest terms of praise. Lame back, lame shoulder and stiff neck are due to rheumatism of the muscles, usually brought on by exposure to cold or damp, and are quickly cured by applying this liniment freely and massaging the affected parts. Soreness of the muscles, whether induced by violent exercise or injury, is allayed by this liniment. For sale by all Druggists.

MEMORIAL SERVICES AT SANDERS

The Annual Memorial Services at This Historical Chapel were Held last Sunday and a large Crowd were Present to Take Part in the Impressive Services---Sumptuous Dinner Was Served.

Last Sunday being the Second Sunday in May and the day set apart each year to decorate the graves and hold Memorial Services at Shady Grove, formerly known as Sanders Chapel, three miles from Calvin in Ward Eight, the whole neighborhood turned out to honor their dead and listen to the address of Rev. J. D. Harper, who had been invited to preach the Memorial sermon.

The arrangements were supervised by W. J. Carson, W. R. Mixon, S. M. Nealy, B. McNaughton and the organ and benches had been taken from the church and arranged under the shade of a large oak tree that shaded practically the 800 people who were present.

The services were opened by several songs rendered by a choir who showed careful training and a perfect blending of voices.

The procession was then formed with our old comrade and friend, W. J. Carson as marshal and the entire congregation following bearing flowers for the dead, the choir singing appropriate songs as they marched from grave to grave, until the whole 225 sleepers had received their loving token of remembrance. Not a grave was neglected. The cemetery had been cleaned the day before.

After decorating the graves the congregation returned to the oak tree, and after the invocation by W. R. Mixon Bro. Harper delivered the sermon from "Blessed are They who die in the Lord." We have seldom heard a more eloquent address, and as he was known to many of them

for more than a quarter of a century, his reminiscences were very interesting. At the close of his remarks he called on S. M. Neely, a local preacher and son of the first person buried in the cemetery, to close the services with prayer.

A long table had been prepared in the shape of a hollow square, and we speak advisedly when we say it was loaded down with good things to eat. There was plenty for all and to spare and the viands were choice. The mothers of North Louisiana are unequalled in preparing such dinner for such occasions.

After dinner the afternoon was spent in singing and strolling about the grounds.

HISTORY.

Shady Grove, or Sanders Chapel as it was originally called, was organized and the first service held in July, 1859, by Rev. Bellamy, a log house was built at that time, but it has rotten down and is replaced by a modest frame structure.

The first person buried in the cemetery was Mrs. Neely, in 1859. She was the mother of the local preacher, S. M. Neely. Since that time 225 persons have been buried there. The custom of holding memorial services on the second Sunday in May was started three years ago.

The church is Methodist and has about forty members enrolled, and is supplied monthly by a preacher from Centenary College at Shreveport.

Brother Harper, P. K. Abel and the writer were the visitors from Winnfield and tender our thanks for the courteous treatment we received.
