

VOTE FOR THE FIVE MILLS TAX

We Want Everybody to Read This Statement and After Careful Consideration Determine Whether it is Worth While to Build Good Roads in Winn Parish.

Chairman Gamble of the Winn Parish Good Roads Committee has been examining the tax roll in connection with the proposition to vote a five mill tax for five years for the betterment of the roads, with some really amazing results. Using this year, 1910, as a basis he finds that a five mill tax amounts to \$25,011.80. Of this amount non-residents pay \$19,461.35. The residents of the towns of Winnfield, Dodson, Atlanta, Calvin, and St. Maurice pay \$3,119.35 and all of the country residents in all the wards together pay \$2,431.20. The corporation of Winnfield alone would pay \$2,611.15. From these figures it is seen that the Town of

Winnfield would pay more road taxes than all the country residents in the parish.

Stated in other words the non-residents pay 77 1-2 per cent of the taxes; the towns 12 3-4 per cent, and the farmers 9 3-4 per cent.

Under the state of affairs can a farmer, who is any sort of a business man afford to refuse to vote the good road tax, when the towns and the non-residents pay 90 1-4 per cent of such taxes. In short the towns and the non-residents are proposing to build 90 1-4 miles of road out of every hundred. Will you turn it down. We have too much confidence in the conservative good judgment of our people to believe so.

What It Will Cost.

The following would be the average cost to the country taxpayers by wards on a five mill tax for good roads, on a basis of the assessment roll of 1910:

Ward 1.....\$1.19	Ward 6.....\$.75
" 2.....1.13	" 7.....1.34
" 3.....1.81	" 8.....1.03
" 4.....1.23	" 9......99
" 5......07	" 10.....1.25

We suppose the average road hand works at least three days on the road each year. Which seems the cheapest?

Hexamethylenetetramine

Is the name of a German chemical, one of the many valuable ingredients of Foley's Kidney Remedy. Hexamethylenetetramine is recognized by medical text books and authorities as a uric acid solvent and antiseptic for the urine. Take Foley's Kidney Remedy promptly at the first sign of kidney trouble and avoid a serious malady. Sold by Whitley & Thomas, Dodson and Winnfield.

A Great Success.

The Fair and Luncheon given by the School Improvement League last Friday came near being a decided success tho' the weather was decidedly bad. The booths were all lovely decorated which showed great taste of the ladies who had charge of same.

The Phoenix Drug Store, through Mr. Branch, gave a 5 pound box of candy, and as Miss Mildred Larrabee held the lucky number was presented with it.

Mrs. Cas Moss received the cake for receiving the most votes for being the ugliest and laziest lady in town. She received same in good humor saying those votes did not make it true.

The High School booth cleared \$14 to add to their library fund. The League cleared nearly \$80.00.

There was some fancy work left and those who may desire to purchase same will find it with Miss Pauline Williams at the Grand Leader.

The regular business meeting is Friday, Dec. 2nd. All members are asked to be present.

The Deer Hunters.

Most of the deer hunters have returned from Black river after a most successful and pleasant hunt. Last Monday B. L. Anderson and T. R. Vandave sent home a deer a piece, and yesterday the Messrs. Anderson, Mashaw and Machen returned. O. M. Grisham, W. M. Wallace, T. R. Vandave, C. L. Jones, Robt. Fletcher and Edwin Winlock remained for a few days and are expected home tonight.

Mass Meeting.

A mass meeting of the taxpayers of Winn Parish has been called to meet in Winnfield at the Court house at 11:00 a. m. on Friday, December the 2nd. Every taxpayer in the parish is cordially invited to attend, in order that he might understand clearly the good roads tax proposition to be voted on Tuesday, December the sixth.

WINNFIELD AND HER RAILROAD OUTLETS.

We print again a map of our city and its unsurpassed railway connections with the world which is equaled by few, if any, towns in the south.

The natural resources of this section will be exploited by Ex-Mayor J. D. Pace during his visit to Chicago next week to attend the Land Congress which meets there.

Thanksgiving.

This national holiday was spent by our people in a very rational way yesterday. The High School had a short Thanksgiving program and adjourned early. Union services were held in the Methodist Church, Rev. Phillips preaching the thanksgiving sermon. Most of the stores and business houses closed and everybody spent the day with family and among friends.

Slight Blaze.

Tuesday evening about six o'clock the alarm of fire was sounded for a blaze at the Louisiana Creosote Co.'s plant. A dry kiln had caught fire, but it was extinguished with a loss of about one hundred dollars worth of lumber.

Passed Away.

The infant son of our friend Earl E. Spencer, died Tuesday night after blessing the home of his parents for two short weeks. The body was taken to Hope, Ark., for interment. The Comrade mourns with our friends in their hour of sorrow.

The Horse Keno.

Mr. Roper of Natchitoches has on exhibition a beautiful gray horse which he raised in this State. He is well worth seeing, beautifully formed and having a mane over five feet long, of a shining silver color. His tent is on Court street near the postoffice. The sight of this animal is well worth the admission price, 10 cents.

Home Again.

After a vacation of thirty days spent in travel and recreation our friend Dr. I. D. Nettles has returned and taken up his practice again. The Comrade was in error a few weeks ago when it said he was going to Fort Worth to engage in business. The doctor thinks Winnfield is good enough for anybody and we are glad to have him with us again.

Religious Services.

Rev. Claude L. Jones, a Christian minister of Shreveport, will preach at the Court House next Tuesday evening, Nov. 29th. The public are cordially invited to attend the services.

Things to be Thankful For

Let us be thankful—really and truly thankful—not only for what we have now, but for the infinitely better things we shall have in the days to come.

Let us be thankful for our heritage of freedom—freedom of conscience, of education, of the press and of the ballot.

Let us be even thankful because our lot is cast in the Twentieth Century, with its luminous hopes of larger freedom yet to be.

Let us be thankful for noble discontent with things that are wrong, and for noble aspiration to set wrong things right.

Let us be thankful because we are not too thankful for what we have—not so thankful that we can rest satisfied while there is an empty hand or stomach in a land of plenty.

Let us be thankful that men are beginning to see the boundlessness of human opportunity and possible human happiness in a world that is rich enough to give every man a home, the chance to rear a family in comfort and to enjoy a serene old age.

Let us be thankful for the growth of human sympathy, still more thankful for the fact that the world has come to see that if it would be saved it must save itself by asserting the power and the majesty of organized humanity over money.

Let us be thankful because we dare to hope that those who come after us will be thankful that we met the problems of our day and generation like men, and "made the bounds of freedom wider yet."—Shreveport Times.

Whooping Cough

It is an old saying that whooping cough must run its course, but the use of Dr. Bell's Pine Tar Honey has demonstrated beyond doubt that such is not the case. It can be cured by the use of this remedy.

Death of W. F. Canterbury.

The death angel visited the home of Mr. and Mrs. J. H. Canterbury on Oct. 31, 1910 and took away their loving son, William Foster. He was the oldest child of the family, aged 21 years and 20 days. He is known in different parts of the parish and known to be a perfect christian gentleman.

He had been teaching in Winn parish for three years, but was in Grant parish near Pollock at the time he was taken sick. He was carried from there to Alexandria Sanitarium where he died.

It was much grief for the family but a great consolation for them is that he died praising the Lord in prayers and song.

All that knew him knows that he has served the Lord for several years, and he was faithful even to the end.

He is gone but not forgotten.

Call not back the dear departed,
Anchored safe where storms are o'er.
On the border land we left him,
Soon to meet and part no more.
When we leave this world of changes,
When we leave this world of care,
We shall find our missing loved one
In our Father's mansion fair.
A LOVED ONE.

Notice.

Let every one remember that the School Improvement League will serve dinner and supper on Friday, Nov. 19th. You can get oysters in any style, salads, coffee, chocolate and cake.

Gone to Rest.

On November 19 "the Black Camel Death" knelt at the door of Mrs. Everett's happy home and took from it her bright little son, Edgar, after an illness of only three days. Thus some of the saddest experiences of life come without premonition. But we know that God's ways are inscrutable yet guided by an infinite wisdom and tender mercy. Our loss is little Edgar's gain. He has gained a coronet of immortality, and has helped to sanctify and lift heavenward the very hearts that broke at his farewell.

"And though he may not return,
But to him thou shall go,
When thy days are numbered and finished be,
And it may to thy angel child be given
First to meet and to welcome his mother to heaven;
And there reunited to part never more.
One song shall ye sing and one Saviour to adore."

Thanksgiving Party.

Among the many events of interest which took place in our city yesterday, perhaps the most pleasant and enjoyable one to the young people was a thanksgiving entertainment given by Miss Nancy and Mr. Murphy Long. The night was an ideal one for the occasion, bright and pleasant, a fire being unnecessary. The charming hostess had prepared a dainty luncheon that was highly enjoyed by all after the games and light banter of the earlier part of the evening.

Immediately after the supper Mr. Roy Wright and Miss Beatrice Pace were declared the best observers and given the prize, a box of candy, offered in the contest. When time for departure arrived the guests expressed themselves as having spent a very pleasant evening not only in words to their hostess but also in their happy faces.

The following thanked the hostess for a pleasant evening spent:

Misses Estelle Tannehill, Freddie Thomas, Mildred Larrabee, Carrie Lou Walker, Otis Barnes, Nettie Milam, Lillie Cupp, Enid Teddie, Susie Howard, Beatrice Pace, Ruth Milburn, Florence Peters, Katie Lee White, Lillian Hearn, Ruth Jones and Eugenia Lancaster.

Messrs Everett Fick, Roy Wright, Tom Huffman, Huey Long, Aubrey Orr, Clayton Wasson, Albert Smith, Willie McElroy, Alvin Hearn, Harris Cross, Chas. Smith and John T. DeLoach.

For pains in the side or chest dampen a piece of flannel with Chamberlain's Liniment and bind it over the seat of pain. There is nothing better. For sale by all dealers.

H. C. Thomas Recovering.

Dodson, La., Nov. 25.—J. F. Whitley, who has been in New Orleans for the past three weeks with his partner in the drug business, H. C. Thomas, the latter having been quite sick there during most of this time, returned Wednesday morning, Mr. Thomas having sufficiently regained his health as to be able to return along with him, much to the satisfaction of their numerous Dodson friends. The doctor who treated Mr. Thomas announced Monday evening that he could come home and immediately he and Mr. Whitley got busy preparing to get off. It is hoped that Mr. Thomas will continue to improve until he is fully restored to his usual health.

The Brotherhood of Locomotive Firemen and Enginemen hold their regular meetings on the First and Third Sundays of each month at one o'clock p. m. in Woodmen's Hall, Winnfield.
