A personal invitation for You

We would like to visit every home and invite the people to our sales-rooms to hear the Victor. That's hardly possible, so we want everybody to consider this a personal invitation to come and hear the

Victor

the wonderful musical instrument that plays all kinds of music and entertainment so true to life that it is just like hearing the artists themselves.

The proof is in the hearing. Come in any time—no obligation on your part.

KEEP COOL

Buy the kind of coal that will keep you cool with the fewest trips to the cellar. Try our coal this year. You'll find it goes so much farther than ordinary fuel that when warm weather comes around you'll have a nice little pile left to start the next season on. That proves its coal economy to buy here.
