From the days the children of Israel grumbled and were sent on their tedious wanderings for 40 years in the wilderness, up to the present hour the world has been full of grumblers. It is too hot, or too cold, too wet or dry. People in reasonable circumstances have visions of the poor home while the rich grumble that they can't get rich faster.

A number of farmers from the State of Nebraska visited this parish the past week with a view of investing in farming lands. We learn they were much pleased with our soil and climate, and that they purchased some tracts of land from the Shadyside Company below Centreville. This is good news, for they are the kind of immigrants that Southern Louisiana needs.

The good roads construction is going on surely and rapidly. The workmen engaged in road building from the upper boundary to Franklin have completed their work as far south as DeLigne plantation; while those who are working south from Franklin are working several miles below Patterson. It will not be long before St. Mary Parish will have one of the best model highways in the State.

A mass meeting of the electors of the Progressive Party was held at the court house in Franklin yesterday. Messrs L. C. Grayson, president, and I. S. Wooster, secretary of the meeting. There were a large attendance at the meeting. A committee was appointed to select delegates from each ward to cast the vote of St. Mary to-day at a convention to be held in Abbeville at 3 o'clock for the purpose of nominating a candidate for State Senator of the 11th Senatorial District. The proceedings of the meeting will be found in another column.

Mr. Felix Hausmann died suddenly at his home in Patterson last Monday and was buried in the Jewish cemetery at Franklin last Tuesday evening. He was sixty-three years of age. For many years he had been a successful merchant, and a beloved citizen of Patterson where he was born. He possessed a character in which the virtues of gentleness and kindness were happily blended, and he lived a long life of fair and tolerant usefulness. Mr. Hausmann was a member of Lafayette Lodge No. 87 F. & A. M., at Patterson, and had served as its treasurer for a number of years. His body was consigned to its Mother Earth in accordance with the solemn ritual of that ancient order. He is survived by one brother, Mr. David Hausmann, of Patterson.
