Horse Sense.

A horse that refrains from eating is using the horse sense method of curing itself of some intestinal trouble. Nature sometimes fails, so take no chance but go to the aid of nature as soon as you see something wrong with your horse and give it a dose or two of B. A. Thomas Stock Remedy. If it does not respond at once, this medicine costs you nothing and its just as sure with cows or sheep. We give you your money back.

PRINCE ALBERT

the national joy smoke

has a flavor as different as it is delightful. You never tasted the like of it! And that isn't strange, either.

Buy Prince Albert everywhere tobacco is sold in tippy red bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin humidors—and that corking fine pound crystal-glass humidor with sponge-moistener top that keeps the tobacco in each clever trim—always!

Men who think they can't smoke a pipe or roll a cigarette can smoke and will smoke if they use Prince Albert. And smokers who have not yet given P. A. a try-out certainly have a big surprise and a lot of enjoyment coming their way as soon as they invest in a supply. Prince Albert tobacco will tell its own story!
