H. M. West.

T. C. Conlin, the skating rink man, of this place, who first introduced the rink here last winter and who has recently been running the rink on the North side of the track, left for Sour Lake Wednesday, where he will open up a rink after a few weeks. Mr. Conlin reports his last venture in the rink business here as a failure and attributes the lack of patronage to the union tent meeting which is being held here at the present time.

Word was received Wednesday by Mr. Thos. Davis that his daughter, Tessie, who, with her mother, is visiting friends in Missouri, is very dangerously ill with blood poisoning. It seems that she had a slight scratch on her ankle and contracted blood poison from her stocking. Mr. Davis received his first notice regarding her condition by mail, but later received a message to the effect that she was in a critical condition. He and his son Roy, left for Missouri Wednesday on No. 9.

Jumping Moving Trains.
Agent Tubbs requests us to announce that owing to the frequency of boys jumping on moving trains, and two recent narrow escapes from injury, unless the practice is discontinued at once, he will be compelled to lodge complaints against them.

Death Angel Claims Little churchill Grosh.

Saturday Mr. Grosh, living just north of town received the sad intelligence, from his wife who, with her two boys, was spending the summer in Denver, Colorado, that their youngest son, Churchill, a boy of three years, was dead. The remains were brought to Welsh for burial. The funeral services was conducted by Rey. Houck at 2 o'clock Wednesday. Interment was made in the Welsh Cemetery. The many friends and neighbors sympathize deeply with the bereaved family in their great loss.

J. C. Maul, who has been employed as field manager for the Welsh Oil Land and Development company, for the past four years, has resigned his position with them and accepted a position as manager in Nowata, Indian Territory. Both the company by whom Mr. Maul has been employed and the community in general, regret very much to see him move away, as he has been a faithful employee and a valuable citizen. In his new location he will have charge of a field in which there are now twelve pumps, and in which they expect to put down twenty new wells in the near future. The family will leave here about the 15th inst.
