To be, or not to be: whether it is
better to devote the last month of
school to preparing and giving an
old fashioned school exhibition, or
to devote it to rounding out the
year's work, seems to be the all-
important subject under discussion
at the present time.

Perfect Self Contained Pump
The Monger Self Contained Pump Sys-
is such an one, warranted to remain in perfect run-
ning order, no matter whether the well settles
not, as the pump is not dependent upon the pit
the least, for support, but forms a perfectly rig-
self contained system in itself.
Decreases Friction, Saves Fuel
