RICE LAND
 We offer good level, well drained rice land near Lake Charles, in quarter sections and larger blocks on terms of one quarter cash and the balance in one to five years. To all who will agree to put down deep well and improve the property, we will not ask for a cash payment, but will let the money which would otherwise be paid on the land be spent for a well and improvements, and fix all the payments from one to five years from date of sale. Prices range from \$10 to \$20 per acre, and we believe there is no better rice land in the country than ours. We are owners, not agents. We will show purchasers any of our lands, if given a few days' notice as to when you expect to be in Lake Charles.
