RAISED FROM SICK BED.

After All Hope Had Vanished.

Mrs. J. H. Bennett, 59 Fountain St., Gardiner, Me., says: "My back used to trouble me so severely that at last I had to give up. I took to my bed and stayed there four months, suffering intense pain, dizziness, headache and inflammation of the bladder. Though without hope, I began using Doan's Kidney Pills, and in three months was completely cured. The trouble has never returned."

SKIN TROUBLES CURED.

First Had Itching Rash—Threatened Later With Blood-Poison in Leg—Relief on Cuticura Remedies.

"About twelve or fifteen years ago I had a breaking-out, and it itched, and stung so badly that I could not have any peace because of it. Three doctors did not help me. Then I used some Cuticura Soap, Cuticura Ointment, and Cuticura Resolvent and began to get better right away. They cured me and I have not been bothered with the itching since, to amount to anything. About two years ago I had la grippe and pneumonia which left me with a pain in my side. Treatment ran it into my leg, which then swelled and began to break out. The doctor was afraid it would turn to blood-poison. I used his medicine but it did no good, then I used the Cuticura Remedies three times and cured the breaking-out on my leg. J. F. Hennen, Milan, Mo., May 13, 1907."

A Polite Boy.

"I understand that your little boy is very polite."

"Yes."

"It's nice to see children well brought up. I like to see little boys get up and give their seats to ladies."

"That boy got down out of a pear tree yesterday and gave his seat to a bulldog before he left the lot where the tree was."—Houston Post.

Beware of Ointments for Catarrh that Contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price, 75c. per bottle. Take Hall's Family Pills for constipation.

It Would Seem So.

"Beauty is only skin deep," remarked the party with the quotation habit.

"And if some portraits of handsome women are accurate," rejoined the peevish person, "beauty is quite a distance outside the cuticle."

Where Others Failed

"Each spring for five or six years I broke out with a kind of Eczema, which nothing seemed to relieve permanently. Finally I tried a box of Hunt's Cure, which promptly cured me. Two years have passed but the trouble has not returned."

MRS. KATE HOWARD, Little Rock, Ark.

A Warning.

Handsome Percy Hashbrooke, the young chauffeur, drew the girl more closely to him.

"All the world loves a lover, dearest," he whispered.

But Lotta Golde's red lip curled somewhat skeptically.

"You haven't interviewed papa yet, Percy," she warned him.

With an ominous moaning sound the great car sped on.

STAR PLUG CHEWING TOBACCO

STAR has for years been the world's leading brand of plug chewing tobacco. Statistics show that about one-fifth of all the chewers of plug tobacco chew STAR.

There's a reason for this enormous and constantly increasing number of STAR chewers, and it's just this—

Star Plug has always been manufactured with one sole object in view—to give chewers the best chew of tobacco it is possible to produce, yet to sell this STAR chew at a moderate price.

More chewers are learning every day that STAR, considered from the standpoint of true merit, has no competitor, and is the one best chew.

For a long time there was a prejudice (which probably still exists) among certain chewers against the use of what is generally termed "Navy Tobacco," because of the impression that all tobacco of that character is too sweet.

It is true that some brands of tobacco, similar in appearance to STAR, are too sweet to please chewers accustomed to the use of tobacco manufactured in thin plugs, but we know that STAR is right in every way.

You use tobacco for the pleasure it gives—**increase your pleasure by chewing STAR!**
