**Hebert-Derouen.**

The marriage of Miss Iva Derouen and Alcide Hebert was solemnized Monday, February 22d at 6 o'clock. The ceremony took place at the Catholic church, Rev. Father Roumbouts officiating. The bride and groom entered preceded by little Miss Beulah Benoit, who carried the ring, and took their position in front of the altar. The bride wore a soft silk wedding robe, cut in princess style and long train, the filmy folds of the bridal veil reaching to the hem of her gown, making her a picture of dainty loveliness. The church was filled to its capacity with the many friends of the young people, who came from two of the best and oldest families in this community. The Journal joins in wishing them a long and happy life.

**Todd-Morgan.**

One of the prettiest weddings of the season took place at the home of Mr. and Mrs. A. C. Morgan, Wednesday evening at 5 o'clock, when, in the presence of the immediate family and a few friends, Miss Lulu Morgan and Mr. Zim Todd were united in marriage. Rev. J. A. Carruth of the Methodist church, performed the ceremony, during which the soft melody of "Hearts and Flowers" as impressively played by Miss Ethel Welch, blended with the solemn words that made the lives of the two young people henceforth one. The bride, gowned in a beautiful pale blue foulard, cut in princess style, was accompanied to the altar by the Matron of Honor, Mrs. Banker of Kinder, who wore a soft pink silk. They were met there by the groom and the officiating minister. After congratulations a two course luncheon was served in the dining room, which was in white and green, the same colors used in the parlor. They received numerous and handsome gifts of silver, china and linen.

Mr. and Mrs. Todd left for their future home, which the groom had ready for their occupancy on the Calkins rice plantation, west of town. The Journal joins their many friends in congratulations and best wishes.

**More Wedding Bells.**

A letter received by P. H. Goodreau Tuesday, announced the marriage of his son, E. S. Goodreau to Mrs. Pearl Jones, both of Welsh. They were married at the home of the groom's uncle, Mr. Chas. Longuet, in Houston, Texas, Monday evening at 9 o'clock. Both the young people are well and favorably known here, "Ed-die" being one of our progressive business men. The bride, who has been the guest of her sister, Mrs. Fred Doan, for the past few months, has made many friends, who esteem her as a bright, attractive young woman. After visiting in Houston and Galveston they will return to Welsh and make this their home. Their many friends extend heartiest congratulations and best wishes for a long and happy wedded life.

**Your Cotton Crop Can Be Increased**

It costs no more to cultivate an acre that produces two bales of cotton than an acre which produces only one-quarter of a bale. Why not see what you can do with

**Virginia-Carolina Fertilizers**

Other men have been able to double and more than double their yield per acre with a liberal application of Virginia-Carolina Fertilizers.

Messrs. Lucas & Jackson of Kelsey County, Tenn., used Virginia-Carolina Fertilizer on about 55 acres planted with cotton, and say: "We have the finest crop of cotton we ever saw, and all the people around here think the same. We actually counted 447 bolls on one stalk. Another stalk had by actual count 409 bolls, forms, squares and blossoms. On about 8 acres we expect to make about 2 bales to the acre, and an estimate of adjoining farms not so fertilized and under other cultural methods, will yield only 1 bale to five acres."

An interesting picture of the cotton plants referred to will be found in the new 1909 Virginia-Carolina Farmers' Year Book, copy of which may be had from your fertilizer dealer, or will be sent free, if you write our nearest sales office.
