

AFTER DOCTORS FAILED

Lydia E. Pinkham's Vegetable Compound Cured Her

Knowville, Iowa.—"I suffered with pains low down in my right side for a year or more and was so weak and nervous that I could not do my work. I wrote to Mrs. Pinkham and took Lydia E. Pinkham's Vegetable Compound and Liver Pills, and am glad to say that your medicines and kind letters of directions have done more for me than anything else and I had the best physicians here. I can do my work and rest well at night. I believe there is nothing like the Pinkham remedies."—Mrs. CLARA FRANKS, R. F. D., No. 3, Knowville, Iowa.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.

For thirty years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills, and the women owe it to themselves at least to give this medicine a trial. Proof is abundant that it has cured thousands of others, and why should it not cure you?

If you want special advice write Mrs. Pinkham, Lynn, Mass., for it. It is free and always helpful.

"The Wish is Father to the Thought."

Dr. Robert L. Waggoner, the president of Baldwin university, said, in the course of an address on pedagogy at Berea, O.:

"And one of the most remarkable changes in the last 30 years of teaching is the abolition of corporal punishment. A boy of this generation is never whipped. But a boy of the last generation—well!"

Doctor Waggoner smiled.

"The boys of the last generation," he said, "must have believed that their instructors all had for motto: 'The swish is father to the thought.'"

OFFICIALS OF ARMOUR, SWIFT AND MORRIS CONCERNS.

Combination, Conspiracy and Illegal Monopoly Charged—More Than 200 Witnesses Examined.

Chicago, Ill.—The federal grand jury which has been investigating Chicago packers, Monday returned indictments against ten high officials of the Swift, Armour and Morris concerns. There are three indictments against each, charging combination, conspiracy and illegal monopoly.

The men indicted are L. F. Swift, president of Swift & Co.; Edw. Swift, vice president of Swift & Co.; Charles H. Swift, director of Swift & Co.; Francis A. Fowler, director of Swift & Co.; Edward Tilden, president of the National Packing Company; J. Ogden Armour, president of Armour & Co.; Arthur Meeker, general manager Armour & Co.; Thomas J. Conners, superintendent of Armour & Co.; Edward Morris, president of Morris & Co., and Louis H. Henman, manager of Morris & Co.

The first indictment in detail charges all defendants with engaging in a combination in restraint of interstate trade in fresh meats. The second charges conspiracy. The third charges the defendants with monopolizing the trade in fresh meats by unlawful means.

That the purpose of the grand jury inquiry was the indictment of individuals rather than the packing corporations was shown when Judge K. M. Landis, famous for the \$29,000,000 Standard Oil fine, launched the investigation.

"It sometimes happens that a person about to violate the law takes the name other than his own," said Judge Landis in his charge to the jury. John Jones, undertaking to counterfeit gold dollars, changes his name to John Smith or the Metals Fabricating Company, and under that name fabricates the thing forbidden by law.

"If your investigation discloses such a case, do not indict a mere alias, but follow the trail wherever it may lead until you have located, identified and pointed out the real offenders."

The investigation which has just ended was the second started by Judge Landis within a year. On Jan. 20 he ordered a grand jury inquiry, which, on March 20, indicted the National Packing Company and ten subsidiary concerns.

Attorneys for the packers filed a demurrer to the indictments. On June 23 Judge Landis sustained the demurrer, killing the government's case against the packing companies. At the same time he issued an order for a special grand jury venire of seventy-five men for July 14.

The witnesses who were summoned included employees of the Chicago companies, Eastern packers, small independent concerns, New York wholesale and retail dealers and packers from as far west as Denver, Colo.

TINY BABY'S PITIFUL CASE

"Our baby when two months old was suffering with terrible eczema from head to foot, all over her body. The baby looked just like a skinned rabbit. We were unable to put clothes on her. At first it seemed to be a few mattered pimples. They would break the skin and peel off leaving the underneath skin red as though it were scalds. Then a few more pimples would appear and spread all over the body, leaving the baby all raw without skin from head to foot. On top of her head there appeared a heavy scab a quarter of an inch thick. It was awful to see so small a baby look as she did. Imagine! The doctor was afraid to put his hands to the child. We tried several doctors' remedies but all failed.

"Then we decided to try Cuticura. By using the Cuticura Ointment we softened the scab and it came off. Under this, where the real matter was, by washing with the Cuticura Soap and applying the Cuticura Ointment, a new skin soon appeared. We also gave baby four drops of the Cuticura Resolvent three times daily. After three days you could see the baby gaining a little skin which would peel off and heal underneath. Now the baby is four months old. She is a fine picture of a fat little baby and all is well. We only used one cake of Cuticura Soap, two boxes of Cuticura Ointment and one bottle of Cuticura Resolvent. If people would know what Cuticura is there would be few suffering with eczema. Mrs. Joseph Kossmann, 7 St. John's Place, Ridgewood Heights, N. Y., Apr. 30 and May 4, '09."
