GROSELE GOSSIP.

Fenton, La, June 6, 1914.

The last few days of sunshine has caused many acres of crab grass to be destroyed in the corn fields, and many acres of the older corn to be laid by; also many acres of June corn have been planted last week, and if the weather continues as at present there will be a heavier acreage of rice planted this month than has been planted up to this time this year. Teams are seen mingling in all fields and a cry is out to rent teams to complete the seeding.

Sunday racing at Woodlawn resulted in a serious and probably fatal accident to the little son of Mr. Dueck Daigle, While running a race and the little boy being the rider of one of the horses that was being run for seventy five cents the horse the boy was riding flew the track and running near a small tree the boy was caught in the hand and arm. The hand and arm was badly hurt, the flesh being torn from the hand and arm. The boy fell from the horse and it is believed the boy is inwardly hurt. Not having heard the doctor's decision we are sorry to say that we fear it will be fatal.

Sunday, May 31st Mr. Andrew Langley and Miss Blanch Miles, both of Hecker, La., unexpectedly drove up to Judge Pelouin's about 9 a. m. and after presenting a set of marriage license they were united in holy wedlock at 10 a. m. sharp. The loving young couple accompanied by Mrs. Thos. Ezell, also of Hecker, left for their happy home. Mr. Langley having accepted a position at the Lockmore tram as sawyer will move into their new home there and will be found house-keeping in the very near future.

The delay in a shipment of wedding garments from Chicago is all that keeps us from announcing the wedding date of Mr. Ozeman Pelouin and Miss Elsie Miller. Mr. Ozeman Pelouin is the son of Judge A. V. Pelouin and Miss Elsie Miller is the daughter of Mr. Fred Miller. We hope to see the young couple made one in the near future and let them be happy now and forever after in the olden days.

Hard times, like misery, loves company. Love over rules, misery holds its own.

Mr. S. Lagrange of Fenton left Monday for Lake Charles, owing to the death of his sister-in-law. Mr. Lagrange will also look after the estate of his deceased brother, Caberilla Lagrange, which consists of town property in Lake Charles.

Wedding bells in Woodlawn. We think the echo will reach the Journal for its next issue.

Mr. Paul Reid and Miss Daman Manuel are to join the married people's society Tuesday. Mr. Joe Reid father of Mr. Paul Reid leaves Monday to attend the wedding. They will be joined as one at Kinder, June 9th. Happiness be to them in their overland journey.

The Phillips Bluff Turpentine Co. is putting in a telephone line from Phillips Bluff to Fenton. The line will hook onto the long distance along the old Watkinc R. R. known as the Dr. Howell telephone line. We are waiting for the Welsh phone line to come in our district West of Fenton. Will they come?

Alex Miller and Adam Hebert made a flying trip to Jennings Wednesday by driving to Welsh, then taking the S. P. R. R., returning the same day.

Willie Hebert and wife of Kinder visited Willie's grandfather, Mr. Dorselle Hebert, Saturday and Sunday, also Willie's father-in-law, Mr. Arthulus Duplechien, near Fenton.

From all appearances and some guess work and from the actions of well hands the prospects for oil in Fenton are very encouraging and some rumor to the effect is afloat that oil is in the near future and that now bailing is going on.

Mr. Yves Pitre and Mr. John Hay attended the School Board and Police Jury meeting on the 4th. Mr. Pitre and Mr. Hay report not much business at the meetings this month.

WHAT THE KIDNEYS DO

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealth some part of this impure matter is left in the blood. This brings on many diseases and symptoms--which vary widely but may include pain in the back, headache, nervousness, hot, dry skin, rheumatic pains, gout, gravel disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right the danger is overcome. Doan's Kidney Pills have proven an effective kidney medicine.

Mrs. C. H. Ash, Sarah St., Welsh, says: "I can well remember what misery I endured before I used Doan's Kidney Pills. I took several boxes in succession and the cured me of a bad case of backache and kidney trouble. Since then I have never had any sign of the complaint. Others of my family have taken Doan's Kidney Pills for kidney disorders and have always had satisfactory results."

Price 50c. at all dealers. Don't simply ask for a kidney remedy--get Doan's Kidney Pills--the same that Mrs. Ash had. Foster-Milburn Co., Props., Buffalo, N. Y.

THE LOUISIANA MEDICINE CO., New Orleans, La.

Gentlemen:
I had been suffering with pains in my lower limbs and back, and a soreness in my lower limbs and back, so could scarcely rise from a stooping position for a period of three minutes. My feet would swell every day and burned constantly. After taking this medicine, Louisiana Lou, for less than two weeks the swelling has left my feet and lower limbs entirely, and the burning sensation and pains in back are entirely gone. I know this to be the best kidney remedy on the market, as I have tried practically all the standard ones without results.
