

ROCK MANETHO

The Black Stallion

It is important to select the proper kind of stock to breed in this country.

THE BEST IS THE CHEAPEST

Small Creole mares bred to the best stallion will produce good serviceable stock for this country, equal to the stock we buy and not cost any more to raise than the ordinary pony stock and worth three times as much.

ROCK MANETHO has all the qualities necessary to meet the above requirements.....

TERMS AND PRICES REASONABLE

Every one owning a mare should see—

Pleasure and Protection

"One of the best reasons why I would not be without telephone service," writes a Georgia farmer, "is the pleasure it gives my wife and the knowledge that while I am away, she has the protection that the telephone gives."

On the farm the telephone dispels loneliness and is the means of bringing help in any emergency that may arise.

If you haven't a telephone on your farm see the nearest Bell Telephone Manager or write for our free booklet and learn how little this service costs.
