KIMBALL-WALKER

The quiet and peaceful little city of Hayes was aroused last week by the presence of Cupid who had drawn his bow and aimed well his arrows that pierced two hearts, and doubtless inflicted wounds upon others and then set to ringing the "Wedding Bells" that called to the marriage altar last Tuesday the 16th inst at 8 p. m. Mr. Willie B. Kimball of Welsh, La. and Miss Madge M. Walker of Hayes. The wedding took place at the beautiful home of Mr. and Mrs. W. C. Gragg, uncle and aunt of the bride.

The ceremony was performed by Rev. E. M. Stewart of the Presbyterian Church of Welsh. The bridesmaids were Miss Ellen Hayes and Miss Maude Walker, sister of the bride. The groomsmen were Mr. Ralph Walker, brother of the bride, and Mr. Ed Gibbs all of Hayes.

The bride was beautifully gowned in white voile, a long white veil flowing gracefully over her shoulders, a crown of orange blossoms adorned her brow. The bridesmaids wore beautiful dresses of white chiffon.

The spacious room was attractively decorated with evergreens and white and pink roses.

At one end of the room was an arch, gracefully entwined with vines and roses. Under this stood a table upon which was the Holy Bible.

Before this altar the solemn and sacred obligations were taken that united two hearts and lives and "made of twain one flesh."

The house was well filled with friends and relatives who came to witness the happy event, and to wish the happy pair a long life and continued happiness. After the young couple had received the hearty congratulations of all, bountiful and delicious refreshments were served, and a most pleasant social evening was enjoyed by all.

The groom is one of our Welsh boys, a son of Mr. J. D. Kimball, and is now employed at the Welsh Oil Field.

The bride is the daughter of Mr. and Mrs. O. E. Walker of Hayes, formerly of Jennings, and enjoys a large circle of friends.

TO OUR BUICK DEALERS

It is painful—yet true—that the factory advises that no more orders be taken for Model C-55s, 6 cylinder, 7 passenger Touring Car. The entire production for 1915 has been exhausted.

Orders for C-37 and C-25 Touring Cars and C-36 and C-24 Roadsters should be wired in at once to insure delivery.

Line up your prospects and send in your orders. We expect to exhaust our contract allowance for 1915 before April 24th. If you expect to sell Buicks get busy.

JOS. SCHWARTZ CO., LTD.
Southern Distributors.
New Orleans, March 20th.

With the above information it looks like it is time to get busy if we expect to ride in BUICKS this Summer. Just think of more cars being sold already this season than all last season's sales to July 1st.

There Must Be a Reason Buick Cars are Gaining in Popularity every season. BUICK cars have earned a REPUTATION for Power, Dependability, Beauty and Economy.
