"The Best Liked Car in the Country"

## "A Friend of Mine Said"—

A dozen times a month some one comes into the showroom interested in the Briscoe because of the enthusiastic praise a friend has bestowed on it.

Sometimes it is the striking beauty of the car; sometimes the economy or the comfort or sturdiness, or any one of a score of Briscoe features.

But it emphasizes the fact that a Briscoe owner is a Briscoe booster—a motorist who realizes that he has secured the best value in the market today.

Below we give the names of a few Briscoe owners in town. Maybe some of them are friends of yours. Ask them what they think of their cars. In that way you'll get some real unprejudiced opinions that should be of value to you in making your own selection.

After you've seen them, see us.

There are twenty-five shows in the Jones organization booked for the Louisiana State Fair, Nov. 1 to 6. Three hundred people are in the aggregation, and there are also some wonderful animals and other features. It takes twenty-five steel cars to handle the party.

### Are You Looking Old?

Old age comes quick enough without inviting it. Some look old at forty. That is because they neglect the liver and bowels. Keep your bowels regular and your liver healthy and you will not only feel younger but look younger. When troubled with constipation or biliousness take Chamberlain's Tablets. They are intended especially for these ailments and are excellent. Easy to take and most agreeable in effect. Obtainable everywhere.

### Woman Cures Horse Colic.

The men were away as usual. The horse was bad. A lone woman could not "drench" in the old way. She called up a neighbor and the men were away—but: "We have Farris Colic Remedy that you drop on the horse's tongue," says Mrs. Neighbor. So she came over and dropped Farris Colic Remedy on the horse's tongue and the horse was well when the men came home. Moral: Get Farris Colic Remedy so the women can cure horse colic. We sell it at 50 cts. a bottle on the Money Back Plan.—Welsh Warehouse Co.
